We Are Here Forever Michelle Gish,2019-07-30 It's the most adorable apocalypse ever! Based on the popular webcomic, this all-new stand-alone comics collection artfully blends post-apocalyptic sci fi, dry humor, and utter adorability. The human race has vanished replaced by innocent, playful, creatures called the Puramus. In this hilarious and epic graphic novel, short interlocking stories follow the purple pals as they explore their new home, form a mini-monarchy, and develop a modern society on par with 21st-century humans. A final act pulls us across time and space in the search for clues to the origins of the Puramus. Along the way, humor and intrigue abound: Can King defend his village when nobody understands what war is? Will Jingle work up the nerve to read her poetry at open mic night? Will Puffpuff ever stop floating? Based on the webcomic, We Are Here Forever is for fans of post-apocalyptic sci fi blended with dry humor and undeniable adorableness. Colorful and cartoony art will have you rooting for these cute critters through their absurd adventures...but are they really as harmless as they seem?

Each Pokémon is classified by specific types--such as Fire, Water, Grass, Psychic, and Fighting--each with its own strengths and weaknesses.

Before Amoris Laetitia Jaroslaw Kupczak,2021-09-03 The publication of Pope Francis’ post-synodal apostolic exhortation, Amoris Laetitia started the most important theological debate in the Catholic Church since the end of the Second Vatican Council. The cardinals, bishops, theologians, priests, lay Catholics found themselves on the opposite sides of this crucial and complicated discussion. This book attempts to shed some light on this debate by tracing its genealogy. Since Amoris Laetitia is a post-synodal document, the large part of the book is devoted to the theological analysis of the two Synods of Bishops convoked by Pope Francis in the first years of his pontificate: the extraordinary in October 2014 and the ordinary that took place a year later. The main topics for the two synods were determined, however, in the speech given by Cardinal Walter Kasper during the cardinals consistory in February 2014 whose main aim was to prepare the possibility of admitting divorced persons who live in second unions to Holy Communion. The arguments of Cardinal Kasper are presented in the first chapter of the book and confronted with the most significant statements of the Magisterium of the Church on the issue of admittance to the Holy Communion. This book is a study at the intersection of Church history, the history of theology, and systematic theology: dogmatic and moral. Kupczak is interested in the chronology of the events connected to the two synods on the family but in the context of theological problems discussed therein: the theological significance of contemporary cultural changes; the relation of the Church to the world; the understanding of the indissolubility of the sacramental marriage and the Eucharist; the methods of ethically assessing human acts, particularly the concept of so-called intrinsically evil acts (intrinsece malum); and the relation of conscience to the general moral norm. The non-partisan ambition of this book is to serve as a “road map”— a help in navigation for the reader in the complicated discussions leading to publication of Amoris Laetitia. The uniqueness of this book consists in combining the historical analysis of the events leading to the publication of Amoris Laetitia with research of the theological discussion that ensued. Since Amoris Laetitia is a post-synodal exhortation, this book rests on the assumption that crucial for its understanding is a thorough analysis of its genealogy. Only in the light of this historical and theological perspective the debates surrounding Amoris Laetitia may be understood.

Incredible Origami Arcturus Publishing,2017-09 Discover how to turn a simple square of paper into something incredible with this step-by-step guide to making beautiful origami models - from funky boats and gift boxes, to amazing animals and super-stylish fashion outfits.
