Predators of Kilimanjaro O1 ,2016-07-01

Dragon in the Wood Lucy Kincaid,Eric Kincaid,1985-01-01 Dragon's terrible singing causes all the forest animals to flee, until the bees teach him how to hum.

Everyone Can Learn Origami Peter Saydak,2017-11-18 The ultimate book for beginners who want to learn origami! In this book you'll learn all the basic folds and techniques through incredibly detailed sets of diagrams and written instructions. After learning the basics you'll find easy to follow instructions showing how to fold 77 traditional origami models including animals, flowers, insects, boxes and much more. By working through this book and folding the different models you'll practice all the different folds and techniques, improving your skills and folding progressively more complex origami. When you reach the end you'll know everything you need to become an origami master! Please note, this book is not for you if you're already an origami expert. If you know how to fold the traditional origami frog from a frog base then you probably already know everything this book can teach you.

Turtles Close Up SETH. LYNCH,2022-07-30 Turtles are so cool! From the largest--the leatherback sea turtle--to the small bog turtle, many people like to see turtles in the wild and even keep them as pets. What makes a turtle, a turtle--and not a tortoise? Their shell and habitat are part of it as emerging readers learn in this awesome volume. Full-color photographs of turtle body features close up complement the low ATOS text and aid in readers' comprehension of the subject matter.

Incredible Origami Arcturus Publishing,2017-09 Discover how to turn a simple square of paper into something incredible with this step-by-step guide to making beautiful origami models - from funky boats and gift boxes, to amazing animals and super-stylish fashion outfits. The perfect book for paper-folding fanatics aged 8 and above.

The Boy's King Arthur Sir Thomas Malory,1880 The exploits of King Arthur and his knights in Britain.

Cats Can Fetch ,2018-11-30 Cats Can Fetch is a 16 page adult comic about a nervous feline boy and a crush on him by an equally shy canine girl.However, the tables quickly turn when she lets him in on her secret that just might change the tone of their encounter, and future.Included in this printed copy are unused sketches, character pinups, and guest artwork of the characters!Comic by Fluff Kevlar

ART OF POINT-AND-CLICK ADVENTURE GAMES. BITMAP BOOKS.,2020

War on Sacred Grounds Ron E. Hassner,2010-12-15 Sacred sites offer believers the possibility of communing with the divine and achieving deeper insight into their faith. Yet their spiritual and cultural importance can lead to competition as religious groups seek to exclude rivals from practicing potentially sacrilegious rituals in the hallowed space and wish to assert their own claims. Holy places thus create the potential for military, theological, or political clashes, not only between competing religious groups but also between religious groups and secular actors. In War on Sacred Grounds, Ron E. Hassner investigates the causes and properties of conflicts over sites that are both venerated and contested; he also proposes potential means for managing these disputes. Hassner illustrates a complex and poorly understood political dilemma with accounts of the failures to reach settlement at Temple Mount/Haram el-Sharif, leading to the clashes of 2000, and the competing claims of Hindus and Muslims at Ayodhya, which resulted in the destruction of the mosque there in 1992. He also

addresses more successful compromises in Jerusalem in 1967 and Mecca in 1979. Sacred sites, he contends, are particularly prone to conflict because they provide valuable resources for both religious and political actors yet cannot be divided. The management of conflicts over sacred sites requires cooperation, Hassner suggests, between political leaders interested in promoting conflict resolution and religious leaders who can shape the meaning and value that sacred places hold for believers. Because a reconfiguration of sacred space requires a confluence of political will, religious authority, and a window of opportunity, it is relatively rare. Drawing on the study of religion and the study of politics in equal measure, Hassner's account offers insight into the often-violent dynamics that come into play at the places where religion and politics collide.

Eunuchs and Nymphomaniacs Anonymous,2019-10-15 The New York Times bestselling author of *Diary of an Oxygen Thief* and *Chameleon in a Candy Store* is back with the spellbinding conclusion to the series. You've never seen romance do this before. So brutally honest and breathtakingly perverse you'll want to throw this book at the wall, but you'll also want to know if it can possibly get any more disturbing (it can and it does). And as you start to wonder whether men and women were ever even meant to be together, a surprise ending brings the trilogy full circle and provides unexpected closure to an issue raised by a certain photographer's assistant in the first book. *Eunuchs and Nymphomaniacs* is about how we love today and how increasingly we try to avoid it altogether.

Lovable Dogs Coloring Book unicorn book,2020-09-03 24 completely unique unicorn coloring pages for kids ages 4-8! Unicorns are so much fun to color because they lead such interesting, magical lives! They meet princesses, dragons and mermaids. They visit castles and enchanted woodlands, fly through stars and rainbow skies and even wind up in the Land of Sweets! Share the fun and magic of unicorns with a special child! This coloring book is a great non-screen activity to stimulate a child's creativity and imagination. It makes a perfect gift! About this unicorn coloring book: * Contains 34 completely unique coloring pages. There are NO duplicate images in this book. * The pages are single-sided to prevent bleed-through, and so that pages can be removed and displayed without losing an image on the back. * We have carefully designed each page to be entertaining and suitable for children in the 4 to 8 year-old age range. We have avoided overly-intricate designs as well as overly-simplistic ones. We believe children of this age love coloring fun scenes that fire up their imaginations, not a book full of simple shapes. * The pages are a nice, large 8.5x11 size. *Magic Unicorns Coloring Book*

Cuddly Cow Nosy Crow,2017-04-25 Cuddly Cow is ready for bed, but she can't get to sleep anywhere! As she visits her farmyard friends, will she find the perfect place to get a good night's sleep? Little fingers will just love pushing the big sound button to hear Cuddly's mooing.

The Executive's Decision Bernadette Marie,2011-08-16 Regan Keller fell in love with a wealthy and powerful man once. He was her boss. When that turbulent relationship ended, she swore she'd never again date someone she worked with. That was before she literally fell into her new boss's lap. Zachary Benson is the head of a successful empire and used to getting what he wants in the boardroom and outside of it – and what he wants is Regan Keller. He's determined to convince Regan that even though he's her boss, they can share a life together. However, when Regan's past threatens to destroy the architectural firm Zach has invested his entire career in, he has to make an executive decision whether to choose his business or fight for the woman he loves.

The Origin of the Brunists Robert Coover,2000 Originally published in 1969, Robert Coover's first novel instantly established his mastery. A coal-mine explosion in a small mid-American town claims ninety-seven lives. The only survivor, a peculiar man subject to religious visions, is adopted as a prophet and quickly gains a following. Rapidly disseminated through the magic of media exposure, the cult spreads across America, and as its members gather on the Mount of Redemption to await the apocalypse, Robert Coover lays bare the madness of religious frenzy and the sometimes greater madness of normal citizens. *The Origin of the Brunists* is vintage Coover -- comic, fearless, incisive, and brilliantly executed.

Play Mandolin Today! Songbook Hal Leonard Corp.,2016-04-01 (Play Today Instructional Series). Perfect for use on its own or as a supplement to the *Play Mandolin Today!* method, this book/audio package features 10 pop & folk favorites and downloadable professional-quality audio with full-band demo and play-along tracks. Songs: Blackbird * Blue Moon of Kentucky * Dark Eyes * I Hope You Dance * Jolene * The Kesh Jig * My Heart Will Go On (Love Theme from Titanic) * Never on Sunday * The Sound of Silence * With or Without You.

USB Embedded Hosts Jan Axelson,2011-11-01 Developers who want to access USB devices from their embedded systems will find a helpful resource in *USB Embedded Hosts: The Developer's Guide*. This new book from the author of *USB Complete* shows how small systems can take advantage of the same wealth of USB devices available to conventional PCs. The book begins with a review of USB host communication protocols. Readers then learn which USB host requirements are relaxed for embedded systems and what new requirements some embedded systems must meet. To help in selecting a development platform, the book explores available hardware and software for USB host communications in small systems. The heart of the book focuses on communicating with USB devices. The topics (with example code) include USB drives, keyboards, virtual

serial ports, network bridges, mics, speakers, video cameras, and printers, plus devices that don’t fit defined USB classes. Also discussed are systems that support both USB host and device functions. The example code is written for the BeagleBoard-xM open development board using a distribution of Linux targeted to small systems. Also covered is how to use Linux commands and utilities to learn about, monitor, and debug communications with USB devices.

Macmillan/McGraw-Hill Math Douglas H. Clements,Macmillan/McGraw-Hill School Publishing Company,2005

Loyalty Under Fire Trish McCallan,2020-12-13 Rio He betrayed her once. Listened to the wrong damn people and walked away when she needed him most. That was on him. He'd live with that mistake for the rest of his life. But she was back again with a killer on her heels, and he'd break anyone who tried to hurt her. He'd make them bleed. He'd make them disappear if he had to. And when it was over, he wasn't letting her go. Becca He came close to breaking her with his desertion. But in the end his defection made her stronger. It taught her she could survive anything. She could survive without him. Now she's back, ready to serve justice for a decades-old murder. And he wasn't getting in her way...no matter how much she craved his mouth on hers...his body pressed against hers... He burned her once-she wasn't giving him another chance
