An Odd Request Luann K. Edwards,2023-08-18 Becca Hill receives a random proposal from Ben Peterson, a man she's not heard from in twelve years, who offers her what she desires but cannot accept. Becca Hill longs to serve the Lord in a deeper capacity. She's felt unfulfilled in her ministry since the death of her husband, the pastor of the small Pleasant Springs Community Church. Despite a desire to return to ministry, Becca rejects a marriage proposal she receives in the mail from a pastor friend she's long admired but hasn't seen in twelve years. Ben Peterson needs a wife. He's convinced the megachurch in Orlando where he serves as the mission's pastor will terminate him if he doesn't remarry soon. He's battling grief over the loss of his wife two years earlier and believes Becca is the woman God has called him to marry. But he doesn't want to date, and time is against him. He must persuade her that they must marry soon, and more importantly, this arrangement could benefit them both. Will Becca leave the warmth and love of her small, close-knit community to marry Ben, a man she hasn't seen in twelve years and someone who may never love her? Find out now in this wholesome Christian romance.

Leadership for a Better World NCLP (National Clearinghouse for Leadership Programs),2016-11-14 The essential guide to the theory and application of the Social Change Model Leadership for a

Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on

application to real-world issues. Please note that The Social Change Model: Facilitating Leadership Development (978-1-119-24243-7) is intended to be used as a Facilitator's Guide to Leadership for a Better World, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together.
