I Will Survive Gloria Gaynor, 2014-03-11 *I Will Survive* is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including *Honey Bee*, *I Got You Under My Skin*, *Never Can Say Goodbye*, and the song that has immortalized her, *I Will Survive*, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the

fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Thomas and Victoria Christopher Awdry, Clive Spong, 2007 With four new stories and Clive Spong's stunning illustrations of Thomas and the new vintage coach, Victoria, this book is a must have for all fans. Toby and Henrietta are overcrowded carrying the workmen from the Quarry. The Fat Controller and the Quarry Manager don't know what to do, but Thomas finds the perfect solution when he meets Victoria - a lovely, old carriage. While Victoria is being renovated, Daisy discovers that she doesn't like snakes very much when a whole boxful of eels escape on to the platform! And once finished, Victoria, Toby and Henrietta become Sodor's Vintage Train.

My Italian Bulldozer Alexander McCall Smith, 2017-04-04 The best-selling author of the No. 1 Ladies' Detective Agency series returns with an irresistible new novel about one man's adventures in the Italian countryside. Paul Stuart, a renowned food writer, finds himself at loose ends after his longtime girlfriend leaves him for her personal trainer. To cheer him up, Paul's editor, Gloria, encourages him to finish his latest cookbook on-site in Tuscany, hoping that a change of scenery (plus the occasional truffled pasta and glass of red wine) will offer a cure for both heartache and writer's

block. But upon Paul's arrival, things don't quite go as planned. A mishap with his rental-car reservation leaves him stranded, until a newfound friend leads him to an intriguing alternative: a bulldozer. With little choice in the matter, Paul accepts the offer, and as he journeys (well, slowly trundles) into the idyllic hillside town of Montalcino, he discovers that the bulldozer may be the least of the surprises that await him. What follows is a delightful romp through the lush sights and flavors of the Tuscan countryside, as Paul encounters a rich cast of characters, including a young American woman who awakens in him something unexpected. A feast for the senses and a poignant meditation on the complexity of human relationships, *My Italian Bulldozer* is a charming and intensely satisfying love story for anyone who has ever dreamed of a fresh start.

The Second-Worst Restaurant in France Alexander McCall Smith, 2019-07-16 In this delightful sequel to the best-selling comedic novel *My Italian Bulldozer*, Paul Stuart's travels take him to a French village, where the local restaurant's haute cuisine leaves a lot to be desired. Renowned Scottish cookbook writer Paul Stuart is hard at work on his new book, *The Philosophy of Food*, but complicated domestic circumstances, and two clingy cats, are making that difficult. So when Paul's eccentric cousin Chloe suggests that he join her at the house she's rented in the French countryside, he jumps at the chance. The two quickly befriend the locals, including their twin-sister landladies, who also own the infamous local restaurant known to be the second-worst eatery in all of France. During their stay, the restaurant's sole waitress gives birth mid-dinner service and the maître d' storms off after fighting with the head chef. Paul is soon drafted to improve the gastronomy of the village, while Chloe, ever on the hunt for her next romance, busies herself with distracting the handsome but incompetent chef. Could he be husband number six? With all this local drama to deal with, Paul finds it next to impossible to focus on his writing, and that's before he learns that Chloe's past is far more

complicated than he'd ever imagined. Paul will have to call upon all his experience—with food and with people—to bring order back to the village. And he may just learn something about family—and about himself—along the way.

Imperium Lupi Adam Browne, 2017-07-17 IMPERIUM LUPI A decade has passed since the last Howler War and the City of Lupa stands peaceful again under the choking clouds of the Ashfall. The wild hyenas have been conquered, the little beasts remain subdued, and the wolf packs preserve their uneasy oligarchy thanks to the noxious power of imperium. However, new threats fester within the Lupan Wall. There are those who would overturn the rule of the Den Fathers, if not the dominion of wolfkind altogether, by persuasion, murder, even genocide, if that's what it takes. Imperium Lupi is a gritty, steampunk, fantasy adventure packed with intrigue and flexible morals. The true monsters are not the giant insects that stalk the wild world of Erde, but the beasts who don the mask of civility to cover their crooked convictions. For the Republic Lupi!

Top Dog Maria Goodavage, 2014-10-23 The New York Times bestselling author of Secret Service Dogs and Soldier Dogs delivers the incredible, true story of K-9 Marine hero Lucca, and the handlers who fought alongside her through two bloody wars in Iraq and Afghanistan. Maria Goodavage knocks it out of the park in this fast paced, spell binding page turner --John W. Pilley, co-author of Chaser: Unlocking the Genius of the Dog Who Knows a Thousand Words Maria Goodavage takes readers into the life of Lucca K458, a decorated and highly skilled military working dog. An extraordinary bond develops between Lucca and Marine Corps dog handlers Chris Willingham and Juan Rodriguez, in what would become a legendary 400-mission career. A specialized search dog, Lucca belongs to an elite group trained to work off-leash at long distances from her handler to sniff out deadly explosives. She served alongside both Special Forces and regular infantry, and became so sought-after that platoons

frequently requested her by name. Here, in gritty detail, is the gripping account of Lucca's adventures on and off the battlefields, including tense, lifesaving explosives finds and rooftop firefights, as well as the bravery of fellow handlers and dogs they served with. Ultimately we see how the bond between Lucca and her handlers overcame the endless brutalities of war and the traumas such violence can inflict. *Top Dog* is a portrait of modern warfare with a heartwarming and inspiring conclusion that will touch dog lovers and the toughest military readers.

Soldier Dogs Maria Goodavage, 2012-12-31 A leading reporter offers a tour of military working dogs' extraordinary training, heroic accomplishments, and the lasting impacts they have on those who work with them. People all over the world have been riveted by the story of Cairo, the Belgian Malinois who was a part of the Navy SEAL team that led the raid on Osama bin Laden's compound. A dog's natural intelligence, physical abilities, and pure loyalty contribute more to our military efforts than ever before. You don't have to be a dog lover to be fascinated by the idea that a dog-the cousin of that furry guy begging for scraps under your table-could be one of the heroes who helped execute the most vital and high-tech military mission of the new millennium. Now Maria Goodavage, editor and featured writer for one of the world's most widely read dog blogs, tells heartwarming stories of modern soldier dogs and the amazing bonds that develop between them and their handlers. Beyond tales of training, operations, retirement, and adoption into the families of fallen soldiers, Goodavage talks to leading dog-cognition experts about why dogs like nothing more than to be on a mission with a handler they trust, no matter how deadly the IEDs they are sniffing, nor how far they must parachute or rappel from aircraft into enemy territory. Military working dogs live for love and praise from their handlers, says Ron Aiello, president of the United States War Dogs Association and a former marine scout dog handler. The work is all a big game, and then they get that pet, that praise.

They would do anything for their handler. This is an unprecedented window into the world of these adventurous, loving warriors.
