An Odd Request Luann K. Edwards,2023-08-18 Becca Hill

receives a random proposal from Ben Peterson, a man she's not

heard from in twelve years, who offers her what she desires but

cannot accept. Becca Hill longs to serve the Lord in a deeper

capacity. She's felt unfulfilled in her ministry since the death of her

husband, the pastor of the small Pleasant Springs Community

Church. Despite a desire to return to ministry, Becca rejects a marriage proposal she receives in the mail from a pastor friend she's long admired but hasn't seen in twelve years. Ben Peterson needs a wife. He's convinced the megachurch in Orlando where he serves as the mission's pastor will terminate him if he doesn't remarry soon. He's battling grief over the loss of his wife two years earlier and believes Becca is the woman God has called him to marry. But he doesn't want to date, and time is against him. He must persuade her that they must marry soon, and more importantly, this arrangement could benefit them both. Will Becca leave the warmth and love of her small, close-knit community to marry Ben, a man she hasn't seen in twelve years and someone who may never love her? Find out now in this wholesome Christian romance.
