Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Locked Room M. D. Spenser,1996 Eleven-year-old Brittany and her little brother Eric suspect their stepfather has married their mother for some evil purpose, and they race against time to figure out why before he destroys them all.

Our Bessie Rosa Nouchette Carey,2022-08-10 Most people under similar circumstances would have used stronger expressions, would have bemoaned themselves loudly, or at least inwardly, with all the pathos of self-pity. To be nearly at the end of one's journey, almost within sight and sound of home fires and home welcomes, and then to be snowed up, walled, imprisoned, kept in durance vile in an unexpected snowdrift-well, most human beings, unless gifted with angelic patience, and armed with special and peculiar fortitude, would have uttered a few groans under such depressing circumstances. Fortunately, Bessie Lambert was not easily depressed. She was a cheerful young person, an optimist by nature; and, thanks to a healthy organization, good digestion, and wholesome views of duty, was not given to mental nightmares, nor to cry out before she was hurt.
