Strong Hearts Are Mandatory Teelia Pelletier, 2017-03-30 *Strong Hearts Are Mandatory* is a series centering in an animal-dominated land known as Media. All of the land's residents are gifted with intelligence, and a few even with the forbidden practice of magic. Within the contents of *Heart of Glass*, we follow the perspective of the main hero, a little noble cat known as the Radio Star. Radio is chosen to collect the fragments of a crystal heart left by a mysterious spider monkey only known as the Jester. She is accompanied by two companions, Pictures and Video, joining her in finding the shards scattered across all of Central Media in their occupations of surveillance and courier work, respectively. The opportunity to find the fragments of this broken heart is Radio's first chance to venture out into the world that she's only ever been able to listen

to from the safety of her windowsill, and she's going to make every heartbeat count. She's just left to hope that Video and Pictures feel this opportunity is as beneficial for them, as it is to her.

Strong Hearts Are Mandatory Teelia

Running on limited time due to a false accusation, Video has to find the answers that will bring her enemies to justice, teaming up with the some of the most powerful influences of Media's subjects to succeed. Growing up with the idea that sorcery is sinister, Video works against the last remaining mage after the overthrow of magic. However, when the whole land is against her, she's left confused on who to count on. Who will use her actions against her, knowing the real story of Media's recent past, and who will show what's real when it comes to the truth behind magic? Video takes Film, one of the highest ranks surveillance directors in Media, as her travel companion to get her answers. The two work as a unit on the mission to clear Video's name, but even with Film's assistance, Video is also driven by her last assignment. I Guarantee It George Zimmer, 2021-09-21 America knew George Zimmer for one of the most famous slogans in television advertising history: "I guarantee it." Zimmer rode his promise to lead the Men's Wearhouse to unimagined success as a retail giant. Now, years removed from his stunning dismissal as leader of the company he founded, *I Guarantee It* recounts the journey of Zimmer's rise, the fall of the Men's Wearhouse, and his personal renewal. For forty-one years, George Zimmer forged a relationship with American men who wanted to like the way they looked without getting too fussy about it. He made them a promise that came straight from the shoulder: "I guarantee it," he said, and it was ironclad. By the millions, customers walked into The Men's Wearhouse stores in all fifty states and Canada, where they received "quality, service, and a good price," where they bought suits, ties, sports coats, and slacks by the tens of billions of dollars. Then a backstabbing – the handpicked board of directors fired Zimmer from the company he had created and developed into the most successful men's specialty store in world history. Eight years later, Zimmer is back to tell his story: a man raised by a prosperous and loving family, a fun-loving son of the sixties, a merchant, an entrepreneur, a pitchman for the ages. Zimmer's ouster devastated but did not destroy him. His is a story of hard work and resilience, about a life in business that succeeded beyond belief and followed the Golden Rule. It's a story that will teach and inspire. He guarantees it.
