Pokemon Go Isabel Jones,2016-10-24 Discover Pokemon Go: Diary of a Snorlax(Unofficial Pokemon Book) Are You Ready To Get into the Adventure of Pokemon Go Here is the PrologueDay 1: Zzzzzzz... I love sleeping! What else would you expect from a Snorlax? There's nothing better than finding a nice, soft grassy spot in a beautiful green field and just napping the hours away. I'm starting to yawn just thinking about it...Sometimes I get in the way because I fall asleep in the wrong places. I've been known to block off entire roads because I fell asleep in the middle of the street. I'm a pretty big Pok mon, so I can really be quite a nuisance. I'm a pretty heavy sleeper too -- once I'm asleep, it's not easy to wake me up again. The longest I've ever slept was one full week. That was a great week -- so relaxing! When I'm not sleeping you can usually find me eating. Like I said, I'm a large Pok mon, so I need to eat a lot to keep my energy up. I'm as big as a living room sofa, and I eat more in one day than a normal Pok mon eats in a month! But if I had to choose between eating and sleeping, sleeping is definitely my favorite thing to do, by far. If I had to give up one of the two forever, I could never give up sleeping. I could sleep all day and all night, if my parents would let me... Download to know all this exciting story NOW! SCROLL to the top of the page and select the BUY button for instant download
