*A Natural History of the Fantastic* Christopher  
Stoll,2015-12-25 This 120-page artbook bestiary

over 20 amazing fantasy creatures. Each

the face of superstition.

Digital Mythology and the Internet's Monster  
Vivian Asimos,2021-01-28 Exploring a prominent  
digital mythology, this book proposes a new way of  
viewing both online narratives and the online  
communities which tell them. The Slender Man – a  
monster known for making children disappear and

causing violent deaths to the adults who seek to know more about him – is used as an extended case study to explore the role of digital communities, as well as the question of the existence of a broader “digital culture”. Structural anthropological mythic analysis and ethnographic details demonstrate how the Slender Man mythology is structured, and how its everlasting nature in the online communities demonstrates an importance of the mythos.

*Magic: The Gathering: Legends* Wizards of the Coast, Jay Anelli, 2020-10-27  
An official guide to the most iconic legends and legendary creatures from the world of Magic: The Gathering. The world of Magic: The Gathering is home to many fantastical characters and creatures, but perhaps none so intriguing as its legends. Legendary dragons, demons, angels, goblins, vampires, merfolk, wizards, and more roam the multiverse. These characters harken back to Magic's early history, having been introduced in one of the first Magic card sets (1994's Legends); new legends continue to tell epic stories in lore and on the battlefield through the present day. Magic: The Gathering: Legends showcases high-quality reproductions of the legendary card art from

across the game's history—in many instances for the first time outside of the card frame—along with accompanying histories written by Jay Anelli. This collection also offers exclusive insight into the art and mythology behind some of Magic: The Gathering's most powerful, popular, and enduring legends, including Niv-Mizzet, Emmara Tandris, Marit Lage, Sisay, Atraxa, the Eldrazi titans, Edgar Markov, Queen Marchesa, Zurgo, Pia Nalaar, Zacama, King Algenus Kenrith, Snapdax, and many, many more.
