Spice and Wolf Anniversary Collector's Edition Isuna Hasekura,2017-02-28 Spice and Wolf is ten years old! To commemorate this anniversary, Yen Press is producing a lavish tome collecting all seventeen original volumes of Spice and Wolf. Beautifully bound and impressively designed to give the impression of a medieval manuscript, the book will also include all of illustrator Jyuu Ayakura's original illustrations. This book will be the crown jewel in any collector's library! The light novel series' story centers around the travels of the merchant Kraft Lawrence, who strikes a deal with the wolf god Holo that sees him transporting the homesick goddess back to her remote northern homeland. Uniquely exploring medieval trade, commerce, and religion, Lawrence plies his trade with Holo (in both human and wolf form) often becoming a decisive factor in his endeavors, but in the end, it is the story of these two memorable characters and their relationship to one another.

Everyone Can Learn Origami Peter Saydak,2017-11-18 The ultimate book for beginners who want to learn origami! In this book you'll learn all the basic folds and techniques through incredibly detailed sets of diagrams and written instructions. After learning the basics you'll find easy to follow instructions showing how to fold 77 traditional origami models including animals, flowers, insects, boxes and much more. By working through this book and folding the different models you'll practice all the different folds and techniques, improving your skills and folding progressively more complex origami. When you reach the end you'll know everything you need to become an origami master! Please note, this book is not for you if you're already an origami expert. If you know how to fold the traditional origami frog from a frog base then you probably already know everything this book can teach you.
