An Odd Request Luann K. Edwards,2023-08-18 Becca Hill receives a random proposal from Ben Peterson, a man she's not heard from in twelve years, who offers her what she desires but cannot accept. Becca Hill longs to serve the Lord in a deeper capacity. She's felt unfulfilled in her ministry since the death of her husband, the pastor of the small Pleasant Springs Community Church. Despite a desire to return to ministry, Becca rejects a marriage proposal she receives in the mail from a pastor friend she's long admired but hasn't seen in twelve years. Ben Peterson needs a wife. He's convinced the megachurch in Orlando where he serves as the mission's pastor will terminate him if he doesn't remarry soon. He's battling grief over the loss of his wife two years earlier and believes Becca is the woman God has called him to marry. But he doesn't want to date, and time is against him. He must persuade her that they must marry soon, and more importantly, this arrangement could benefit them both. Will Becca leave the warmth and love of her small, close-knit community to marry Ben, a man she hasn't seen in twelve years and someone who may never love her? Find out now in this wholesome Christian romance.

Before I Ever Met You Karina Halle,2017-05-03 I first met William McAlister when I was just a teenager. He was handsome, had a beautiful wife and was on the verge of success, having just joined my father as his business partner. Mr. McAlister was full of smooth charm, but back then he was barely a blip on my radar. Just a family friend. Fast forward ten years: I'm 25 years old and a single mom trying to make things right for her seven-year old son. I've made some mistakes, grappled with my demons and now I'm back in the city of Vancouver, getting a second chance at a better life. I've started by working for my father's production company as an executive assistant. My first day on the job and I already know I could have a promising career there. That is until I see Will McAlister for the first time in a decade. Now recently divorced and as sophisticated as always, Will has gone from being my father's friend and business partner to something so much more. We're both older, for one thing, and he just oozes this worldly confidence and stark sexuality. Combined with his tall, muscular build and sharp suits, strong jaw and bedroom eyes, Will has turned into one hell of a distraction. A distraction I'm having a hard time staying away from, considering his office is right across from my desk and I work with him in such close proximity. But it's just a harmless crush, right? It's just an innocent fantasy of screwing him on his desk, right? It can't ever be more because he's my father's best friend, business partner, and my boss. Right? Wrong.
