Dave Laing

**Music Scenes** Andy Bennett,Richard A. Peterson,2004 While more than 80 percent of the world's commercial music is controlled by four multinational firms, most music is made and enjoyed in diverse situations divorced from such corporate behemoths. These fourteen original essays examine the fascinating world of music scenes, those largely inconspicuous sites where clusters of musicians, producers, and fans explore their common musical tastes and distinctive lifestyle choices. Although most music scenes come and go with hardly a trace, they nevertheless give immense satisfaction to their participants, and a few - New York bop jazz, Merseybeat, Memphis rockabilly, London punk, Bronx hip-hop - achieve fame and spur musical innovations. To date, serious study of the scenes phenomenon has focused mainly on specific music scenes while paying less attention to recurrent dynamics of scene life, such as how individuals construct and negotiate scenes to the various activities. This volume remedies that neglect. The editors distinguish between three types of scenes - local, translocal, and virtual - which provide the organizing framework for the essays. Aspects of local scenes, which are confined to specific areas, are explored through essays on Chicago blues, rave, karaoke, teen pop, and salsa. The section on translocal scenes, which involve the coming together of scattered local scenes around a particular type of music and lifestyle, includes articles on Riot Grrrls, goths, art music, and anarcho-punk. Aspects of virtual scenes, in which fans communicate via the internet, are illustrated using alternative country, the Canterbury sound, postrock, and Kate Bush fans. Also included is an essay that shows how the social conditions in places where jazz was made influenced that music's development.

**Healing and Preventing Autism** Jenny McCarthy,Jerry Kartzinell,2009 In her bestsellers *Louder Than Words* and *Mother Warriors*, McCarthy told stories about healing children with autism. Now she teams up with a preeminent autism doctor to write the first book on a remarkably effective new treatment in healing conditions associated with autism.

*Chasing the Devil* David Reichert,2005-12-27 Discusses the twenty year pursuit of Sheriff David Reichert for the Green River Killer.

**Guitar Cultures** Andy Bennett,Kevin Dawe,2020-05-18 The guitar is one of the most evocative instruments in the world. It features in music as diverse as heavy metal, blues, indie and flamenco, as well as Indian classical music, village music making in Papua New Guinea and carnival in Brazil. This cross-cultural popularity makes it a unique starting point for understanding social interaction and cultural identity. Guitar music can be sexy, soothing, melancholy or manic, but it nearly always brings people together and creates a common ground even if this common ground is often the site of intense social, cultural, economic and political negotiation and contest. This book explores how people use guitars and guitar music in various nations across the world as a musical and symbolic basis for creating identities. In a world where place and space are challenged by the pace of globalization, the guitar provides images, sounds and styles that help define new cultural territories. Guitars play a crucial part in shaping the commercial music industry, educational music programmes, and local community atmosphere. Live or recorded, guitar music and performance, collecting and manufacture sustains a network of varied social exchanges that constitute a distinct cultural milieu. Representing the first sustained analysis of what the guitar means to artists and audiences world-wide, this book demonstrates that this seemingly simple material artefact resonates with meaning as well as music.

*My Buddy Bill* Rick Cleveland,2010 THE STORY: On a visit to the White House, a dog-loving screenwriter reprimands Buddy, the First Dog, for piddling on the Oval Office rug. Little does he know that this canine interaction will spark a lasting friendship with President Clinton and gi

**The World Book Student Discovery Encyclopedia** World Book, Inc,2000 A general elementary encyclopedia with brief illustrated articles covering an alphabetical array of topics.

**The Birth of Bebop** Scott DeVeaux,2023-09-01 The richest place in America's musical landscape is that fertile ground occupied by jazz. Scott DeVeaux takes a central chapter in the history of jazz—the birth of bebop—and shows how our contemporary ideas of this uniquely American art form flow from that pivotal moment. At the same time, he provides an extraordinary view of the United States in the decades just prior to the civil rights movement. DeVeaux begins with an examination of the Swing Era, focusing particularly on the position of African American musicians. He highlights the role played by tenor saxophonist Coleman Hawkins, a progressive committed to a vision in which black jazz musicians would find a place in the world commensurate with their skills. He then looks at the young musicians of the early 1940s, including Charlie Parker, Dizzy Gillespie, and Thelonious Monk, and links issues within the jazz world to other developments on the American scene, including the turmoil during World War II and the pervasive racism of the period. Throughout, DeVeaux places musicians within the context of their professional world, paying close attention to the challenges of making a living as well as of making good music. He shows that bebop was simultaneously an artistic movement, an ideological statement, and a commercial phenomenon. In drawing from the rich oral histories that a living tradition provides, DeVeaux's book resonates with the narratives of individual lives. While *The Birth of Bebop* is a study in American cultural history and a critical musical inquiry, it is also a fitting homage to bebop and to those who made it possible.

**Music Genres and Corporate Cultures** Keith Negus,2013-07-04 *Music Genres and Corporate Cultures* explores the seemingly haphazard workings of the music industry, tracing the uneasy relationship between economics and culture; 'entertainment corporations' and the artists they sign. Keith Negus examines the contrasting strategies of major labels like Sony and Polygram in managing different genres, artists and staff. How do takeovers affect the treatment of artists? Why has Polygram been perceived as too European to attract US artists? And how did Warner's wooden floors help them sign Green Day? Through in-depth case studies of three major genres; rap, country, and salsa, Negus explores the way in which the music industry recognises and rewards certain sounds, and how this influences both the creativity of musicians, and their audiences. He examines the tension between rap's public image as the spontaneous 'music of the streets' and the practicalities of the market, and asks why country labels and radio stations promote top-selling acts like Garth Brooks over hard-to-classify artists like Mary Chapin-Carpenter, and how the lack of soundscan systems in Puerto Rican record shops affects salsa music's position on the US Billboard chart. Drawing on over seventy interviews with music industry personnel in Britain and the United States, *Music Genres and Corporate Cultures* shows how the creation, circulation and consumption of popular music is shaped by record companies and corporate business styles while stressing that music production takes within a broader culture, not totally within the control of large corporations.

*One Chord Wonders* Dave Laing,2015-05-01 Originally published in 1985, *One Chord Wonders* was the first full-length study of the glory years of British punk rock. The book argues that one of punk's most significant political achievements was to expose the operations of power in the British entertainment industries as they were thrown into confusion by the sound and the fury of musicians and fans. Through a detailed examination of the conditions under which punk emerged and then declined, Dave Laing develops a view of the music as both complex and contradictory. Special attention is paid to the relationship between punk and the music industry of the late 1970s, in particular the political economy of the independent record companies through which much of punk was distributed. The rise of punk is also linked to the febrile political atmosphere of Britain in the mid-1970s. Using examples from a wide range of bands, individual chapters use the techniques of semiology to consider the radical approach to naming in punk (from Johnny Rotten to Poly Styrene), the instrumental and vocal sound of the music, and its visual images. Another section analyses the influence of British punk in Europe prior to the music's division into "real punk" and "post-punk" genres. The concluding chapter critically examines various theoretical explanations of the punk phenomenon, including the class origins of its protagonists and the influential view that punk represented the latest in a line of British youth "subcultures." There is also a chronology of the punk era, plus discographies and a bibliography.

*Adolescents and their Music* Jonathon S. Epstein,2016-04-14 In this lively examination of youth and their relationship to music, first published in 1994, contributors cover issues ranging from the place of music in urban subculture and what music tells us about adolescent views on love and sex, to the political status of youth and youth culture.

**Cultures Of Popular Music** Bennett, Andy,2001-12-01 Presents a comprehensive cultural, social and historical overview of post-war popular music genres, from rock 'n' roll and psychedelic pop, through punk and heavy metal, to rap, rave and techno.

**Origin Story** David Christian,2018-05-22 This New York Times bestseller elegantly weaves evidence and insights . . . into a single, accessible historical narrative (Bill Gates) and presents a captivating history of the universe -- from the Big Bang to dinosaurs to mass globalization and beyond. Most historians study the smallest slivers of time, emphasizing specific dates, individuals, and documents. But what would it look like to study the whole of history, from the big bang through the present day -- and even into the remote future? How would looking at the full span of time change the way we perceive the universe, the earth, and our very existence? These were the questions David Christian set out to answer when he created the field of Big History, the most exciting new approach to understanding where we have been, where we are, and where we are going. In Origin Story, Christian takes readers on a wild ride through the entire 13.8 billion years we've come to know as history. By focusing on defining events (thresholds), major trends, and profound questions about our origins, Christian exposes the hidden threads that tie everything together -- from the creation of the planet to the advent of agriculture, nuclear war, and beyond. With stunning insights into the origin of the universe, the beginning of life, the emergence of humans, and what the future might bring, Origin Story boldly reframes our place in the cosmos.

*Rock Culture in Liverpool* Sara Cohen,1991 This book looks in depth at contemporary rock 'n roll culture in Liverpool as a way of life, highlighting its associated conventions, rituals, norms, and beliefs at a particular time within the city's unique social, economic, cultural, and political environment.

*Understanding Ignorance* Daniel R. DeNicola,2017-08-18 Ignorance is trending. Politicians boast, I'm not a scientist. Angry citizens object to a proposed state motto because it is in Latin, and This is America, not Mexico or Latin America. Lack of experience, not expertise, becomes a credential. Fake news and repeated falsehoods are accepted and shape firm belief. Ignorance about American government and history is so alarming that the ideal of an informed citizenry now seems quaint. Conspiracy theories and false knowledge thrive. This may be the Information Age, but we do not seem to be well informed. In this book, philosopher Daniel DeNicola explores ignorance -- its abundance, its endurance, and its consequences.

**Goin' to Kansas City** Nathan W. Pearson,1987 A big juicy wedge of jazz history. . . . Lots of wonderful stories. -- Los Angeles Daily News Kansas City was a hub for Jazz bands that crisscrossed the country in the 1930s. . . . The interviews go beyond jazz into the infamous political machinery that made Kansas City a wide-open and corrupt town where jazz could flourish. -- Choice A wealth of stories, a good measure of entertainment and a valuable stab at history -- not to mention some great pictures. -- The Kansas City Star

**The Truth about Authority** Group Publishing, Incorporated,1997-06

*Justin Bieber - My World 2.0 (Songbook)* Justin Bieber,2011-03-01 (Easy Piano Personality). Justin Bieber's first studio CD debuted atop the Billboard 200 , making him the youngest solo male act at #1 since Stevie Wonder in 1963! Our matching folio to this wildly popular album includes easy arrangements of his megahits Baby, Somebody to Love and U Smile, plus: Eenie Meenie \* Never Let You Go \* Overboard \* Runaway Love \* Stuck in the Moment \* That Should Be Me \* and Up. A must for all true Beliebers!

**Subcultural Sounds** Mark Slobin,1993-04 A fascinating study of subcultural musics and their cultural identities.

*Producing Pop* Keith Negus,1992 Producing Pop provides a fascinating behind-the-scenes analysis of one of the world's major entertainment industries. Focusing on the contribution of recording industry personnel, it challenges the simplistic assumption that pop music is merely determined by corporate financial interests, and argues against writers who portray the music business as a cultural assembly line.

**Popular Music and Youth Culture** Andy Bennett,2000-04-01 Combining a critical evaluation of recent work on youth, music and local identity with original ethnographic work, this book provides a wide-ranging study of music and style-centered youth cultures in a local context. Detailed studies of dance music, rap, bhangra and progressive rock examine how these musical styles become part of daily life in different urban settings. In addition, the book features exploration of white hip hop culture in Britain, the socio-cultural significance of local pub venues and the increasing popularity of tribute bands.

### Pop Star Britney Spears Scream Shout Free Papercraft Download Introduction

Pop Star Britney Spears Scream Shout Free Papercraft Download Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Pop Star Britney Spears Scream Shout Free Papercraft Download Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Pop Star Britney Spears Scream Shout Free Papercraft Download : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Pop Star Britney Spears Scream Shout Free Papercraft Download : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Pop Star Britney Spears Scream Shout Free Papercraft Download Offers a diverse range of free eBooks across various genres. Pop Star Britney Spears Scream Shout Free Papercraft Download Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Pop Star Britney Spears Scream Shout Free Papercraft Download Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Pop Star Britney Spears Scream Shout Free Papercraft Download, especially related to Pop Star Britney Spears Scream Shout Free Papercraft Download, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Pop Star Britney Spears Scream Shout Free Papercraft Download, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Pop Star Britney Spears Scream Shout Free Papercraft Download books or magazines might include. Look for these in online stores or libraries. Remember that while Pop Star Britney Spears Scream Shout Free Papercraft Download, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Pop Star Britney Spears Scream Shout Free Papercraft Download eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Pop Star Britney Spears Scream Shout Free Papercraft Download full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd

offer subscription-based access to a wide range of Pop Star Britney Spears Scream Shout Free Papercraft Download eBooks, including some popular titles.

### FAQs About Pop Star Britney Spears Scream Shout Free Papercraft Download Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Pop Star Britney Spears Scream Shout Free Papercraft Download is one of the best book in our library for free trial. We provide copy of Pop Star Britney Spears Scream Shout Free Papercraft Download in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Pop Star Britney Spears Scream Shout Free Papercraft Download. Where to download Pop Star Britney Spears Scream Shout Free Papercraft Download online for free? Are you looking for Pop Star Britney Spears Scream Shout Free Papercraft Download PDF? This is definitely going to save you time and cash in something you should think about.
