**If Anything Happens I Love You** Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

*The Coca-Cola Art of Jim Harrison* Jim Harrison,2017-01-31 The story of how a summer job spawned a long and rewarding career as an artist Coca-Cola is a true American original and one of the world's most recognized and popular American products. In *The Coca-Cola Art of Jim Harrison*, the artist traces his lifelong love affair with the Coca-Cola trademark that began during his childhood in rural South Carolina. Harrison enjoyed drinking the sweet and effervescent beverage, but he also was attracted to the Coca-Cola trademark that was blazoned on buildings and signs in his home town. After years of marveling at the work of local sign painter J. J. Cornforth, Harrison approached the seventy-year-old for a summer job. During several summers Cornforth taught Harrison the craft. When the young artist climbed atop the scaffold in the summer of 1952 to paint his first Coca-Cola sign, little did he know that he was launching a career as one of America's foremost landscape artists. In 1975 Harrison created a painting of a country store that featured a fading Coca-Cola sign he and Cornforth had painted twenty years earlier. The painting, titled *Disappearing America*, was offered as one of the first limited-edition Coca-Cola collector prints for \$40 by Frame House Gallery. All 1,500 copies sold out quickly, propelling him into the national spotlight through the publisher's network of 600 dealers. Harrison soon became the undisputed leader in rural Americana art, with this and many of his other prints appreciating up to 3,000 percent of their original value. Since entering into a licensee relationship with the Coca-Cola Company in 1995, Harrison has continued developing limited-edition prints, including his popular annual Coca-Cola calendar. Not surprisingly, Harrison has become an avid collector of old Coca-Cola signs. His studio is lined with a vast array of this collection, which serves as inspiration for new works of art.

*A Really Big Lunch* Jim Harrison,2017-03-24 An essay collection from “the Henry Miller of food writing” and New York Times–bestselling author of *The Raw and the Cooked* (The Wall Street Journal). Jim Harrison was beloved for his untamed prose and larger-than-life appetite. Collecting many of his most entertaining and inspired food pieces for the first time, *A Really Big Lunch* “brings him roaring to the page again in all his unapologetic immoderacy, with spicy bon mots and salty language augmented by family photographs” (NPR). From the titular New Yorker article about a French lunch that went to thirty-seven courses, to essays on the relationship between hunter and prey, or the obscure language of wine reviews, *A Really Big Lunch* is shot through with Harrison’s aperçus and delight in the pleasures of the senses. Between the lines the pieces give glimpses of Harrison’s life over the last three decades. Including articles that first appeared in *Brick*, *Playboy*, *Kermit Lynch Wine Merchant*, and more, as well as an introduction by Mario Batali, *A Really Big Lunch* offers “sage and succulent essays” for the literary gourmand (Shelf Awareness, starred review).

**Just Before Dark** Jim Harrison,2016-05-03 Twenty-five years of essays from one of America’s most prolific and acclaimed writers, the New York Times–bestselling author of *Legends of the Fall*. The bestselling author of thirty-nine books of fiction, nonfiction, and poetry—including *Dalva* and *Returning to Earth*—Jim Harrison was one of our most beloved and acclaimed writers, adored by both readers and critics. In *Just Before Dark*, Harrison’s essays and articles have been selected from twenty-five years of work, from venues as diverse as *Playboy*, *The Nation*, *Outside*, and the *American Poetry Review*. They explore the passions and concerns of a classic American writer—from ice fishing to bar pool, nouvelle cuisine and night walks—with keen insight and great humanity. It is an exceptional reminder of why Harrison was one of our most cherished and important writers. “One of the most interesting and entertaining bodies of work by any writer of his generation.” —Alan Cheuse, *Chicago Tribune*

**Couples** Ellen von Unwerth,2011 Today's most exciting woman behind the camera, Ellen von Unwerth's photographs are published in all the world's great magazines. Known as the comical model, she started her career on the catwalk. Today she likewise adds a touch of humor to her fashion and nude photographs. While her colleagues concentrate their dramatic composition on capturing the big moment, she deploys great sensitivity and intuition to hunt down the decisive moment, where the irony and wit of reality slumber. Spontaneity is her forte, her motto being that life is spontaneous about revealing its best side. *Couples* is fresh and unconventional, dissolving the traditions of the photography book. She wanted it to be a fast book - racy, loud yet high-caliber, with a handy format and as thick as a Bible, a book that is real fun. Spontaneous, personal and uncomplicated, playful with all types of couples: behind the scenes of life and fashion, sex and glamour.

**My Darling from the Lions** Alice Denham,2016-08-30 Alice Denham's *My Darling from the Lions* portrays the passionate conflict between a young painter and her macho composer husband, their lovers, her female rage, his brutality, and her struggle for self-realization as an artist. The Sunday New York Times Book Review said, When Miss Denham is being lyrical she is capable of some really incredible language. The Raleigh News & Observer said, Grace is very much a female animal given to bestial and sensual passions for Carl. Carl can't possibly love her as much as she loves him, so she finds out in a soul-rending experience.

Zanele Muholi Yasufumi Nakori,Allen Sarah,2020 Born in South Africa in 1972, Zanele Muholi came to prominence in the early 2000s with photographs that sought to envision black lesbian, gay, bisexual, trans, queer,

and intersex lives beyond deviance or victimhood. Muholi's work challenges hetero-patriarchal ideologies and representations, presenting the participants in their photographs as confident and beautiful individuals bravely existing in the face of prejudice, intolerance, and, frequently, violence. While Muholi's intimate photographs of others launched their international career, their intense self-portraits solidified it. The illustrations include images from the key series Muholi has produced over the past 20 years, as well as never-before-published and recent works. This book, and the exhibition it accompanies, present the full breadth of Muholi's photographic and activist practice. Exhibition: Tate Modern, London, UK (29.04-18.10.2020) / Maison Europ enne de la Photographie, Paris, France (11.2020-02.2021) / Martin Gropius Bau, Berlin, Germany (03-07.2021) / Bildmuseet, Umea, Sweden (10.2021-03.2022).

Leon of Juda Robert Frank,2017 Leon of Juda is the seventh book in Robert Frank's (born 1924) acclaimed series of visual diaries, which combine iconic photos from throughout his career with the more personal pictures he makes today. Here, still lifes taken in Frank's home in Bleecker Street, New York, and landscapes around his house in Mabou, Nova Scotia, jostle alongside spontaneous portraits of friends, colleagues and his wife, the artist June Leaf, as well as vintage postcards. With these images Frank creates a seemingly casual layout that recalls the look and spirit of a private album or scrapbook. Equally humble and ambitious, Leon of Juda shows how the past tempers Frank's present and how his life is not only documented in, but shaped by, bookmaking.

*Goya's War* Janis A. Tomlinson,Kathleen Stewart Howe,2013 This book draws on the most recently scholarship by art historians and historians on the context and meaning of Goya s series of eighty aquatint etchings, the Desastres de la Guerra, much of it made available for the first time in English. Goya scholar Janis Tomlinson re-orders the sequence of the posthumously published 1863 edition to illustrates the artist s stylistic evolution as well as the etchings relation to their historical context. Kathleen Stewart Howe discusses the enduring influence of these prints in contemporary art. All eighty etchings of the first edition (1863) are reproduced in full-page, color illustrations.

**Omaha Sketchbook** Gregory Halpern,2019-08-31 For the last fifteen years, Gregory Halpern has been photographing in Omaha, Nebraska, steadily compiling a lyrical, if equivocal, response to the American Heartland. In loosely-collaged spreads that reproduce his construction-paper sketchbooks, Halpern takes pleasure in cognitive dissonance and unexpected harmonies, playing on a sense of simultaneous repulsion and attraction to the place. Omaha Sketchbook is ultimately a meditation on America, on the men and boys who inhabit it, and on the mechanics of aggression, inadequacy, and power.

*Kittens Mini* ,2003-05 Small, cute, and full of life, kittens are a joy to watch. At a young age kittens display a remarkable amount of curiosity and intelligence. This BrownTrout 2004 calendar has captured kittens at their best.
