The Invisible Wall Harry Bernstein, 2007-03-20 This wonderfully charming memoir, written when the author was 93, vibrantly brings to life an all-but-forgotten time and place. It is a moving tale of working-class life, and of the boundaries that can be overcome by love. "There are places that I have never forgotten. A little cobbled street in a smoky mill town in the North of England has haunted me for the greater part of my life. It was inevitable that I should write about it and the people who lived on both sides of its 'Invisible Wall.' " The narrow street where Harry Bernstein grew up, in a small English mill town, was seemingly unremarkable. It was identical to countless other streets in countless other working-class neighborhoods of the early 1900s, except for the "invisible wall" that ran down its center, dividing Jewish families on one side from Christian families on the other. Only a few feet of cobblestones separated Jews from Gentiles, but socially, it they were miles apart. On the eve of World War I, Harry's family struggles to make ends meet. His father earns little money at the Jewish tailoring shop and brings home even less, preferring to spend his wages drinking and gambling. Harry's mother, devoted to her children and fiercely resilient, survives on her dreams: new shoes that might secure Harry's admission to a fancy school; that her daughter might marry the local rabbi; that the entire family might one day be whisked off to the paradise of America. Then Harry's older sister, Lily, does the unthinkable: She falls in love with Arthur, a Christian boy from across the street. When Harry unwittingly discovers their secret affair, he must choose between the morals he's been taught all his life, his loyalty to his selfless mother, and what he knows to be true in his own heart.

Mozart's Starling Lyanda Lynn Haupt, 2017-04-04 On May 27th, 1784, Wolfgang Amadeus Mozart met a flirtatious little starling in a Viennese shop who sang an improvised version of the theme from his Piano Concerto no. 17 in G major. Sensing a kindred spirit in the plucky young bird, Mozart bought him and took him home to be a family pet. For three years, the starling lived with Mozart, influencing his work and serving as his companion, distraction,

consolation, and muse. Two centuries later, starlings are reviled by even the most compassionate conservationists. A nonnative, invasive species, they invade sensitive habitats, outcompete local birds for nest sites and food, and decimate crops. A seasoned birder and naturalist, Lyanda Lynn Haupt is well versed in the difficult and often strained relationships these birds have with other species and the environment. But after rescuing a baby starling of her own, Haupt found herself enchanted by the same intelligence and playful spirit that had so charmed her favorite composer. In *Mozart's Starling*, Haupt explores the unlikely and remarkable bond between one of history's most cherished composers and one of earth's most common birds. The intertwined stories of Mozart's beloved pet and Haupt's own starling provide an unexpected window into human-animal friendships, music, the secret world of starlings, and the nature of creative inspiration. A blend of natural history, biography, and memoir, *Mozart's Starling* is a tour de force that awakens a surprising new awareness of our place in the world.

An Island Garden Celia Thaxter, 2008-11 Celia Laighton Thaxter (1835-1894) was born in Portsmouth, NH. When she was four, her father became the lighthouse keeper on White Island in the Isles of Shoals. After resigning his post eight years later, he built a resort hotel on Appledore Island in Maine. The first of its kind on the New England coast, the hotel became a gathering place for writers and artists during the latter half of the 19th century. In her last year of life, Celia published this work, in which she lovingly describes her Appledore garden and its flowers. The flowers she grew in her cutting garden filled her own rooms and those of the hotel, and this work became famous for its descriptions of the old-fashioned flowers she grew there. Her island garden, a plot that measured 15 feet square, has been re-created and is open to visitors.

The Poppy Lady Barbara E. Walsh, 2020-09-08 Here is the inspiring story behind the Veterans Day red poppy, a symbol that honors the service and sacrifices of our veterans. When American soldiers entered World War I, Moina Belle Michael, a schoolteacher from Georgia, knew she had to act. Some of the soldiers were her students and friends. Almost single-handedly, Moina worked to establish the red poppy as the symbol to honor and remember soldiers. And she devoted the rest of her life to making sure the symbol would last forever. Thanks to her hard work, that symbol remains strong today. Author Barbara Elizabeth Walsh and artist Layne Johnson worked with experts, primary documents, and Moina's great-nieces to better understand Moina's determination to honor the war veterans. A portion of the book's proceeds will support the National Military Family Association's Operation Purple®, which benefits children of the US Military.
