Japanese Influence on American Children's Television Gina O'Melia,2019-07-11 Japanese Influence on American Children's Television examines the gradual, yet dramatic, transformation of Saturday morning children's programming from being rooted in American traditions and popular culture to reflecting Japanese popular culture. In this modern era of globalization and global media/cultural convergence, the book brings to light an often overlooked phenomenon of the gradual integration of narrative and character conventions borrowed from Japanese storytelling into American children's media. The book begins with a brief history of Saturday morning in the United States from its earliest years, and the interaction between

American and Japanese popular media during this time period. It then moves onto reviewing the dramatic shift that occurred within the Saturday morning block through both an overview of the transitional decades as well as an in-depth analysis of the transformative ascent of the shows *Mighty Morphin Power Rangers*, *Pokémon*, and *Yu-Gi-Oh!*.

Lowrider Coloring Book Oscar Nilsson,2011-04-14 Paint your own lowrider just the way you like it! Impalas, Cadillacs and Rivas. In the Lowrider Coloring Book, you will color the classic and most popular Lowrider models. Lowrider culture reaches back to 1930s Los Angeles, where it became popular for style-conscious Latino-Americans to load their cars with sandbags to bring it closer to the road. Style was everything, and when lowered cars were banned in California in the 1950s, it became necessary to find a way to raise and lower the car simply to avoid fines. The solution was to use hydraulics from old fighter planes left over from World War II. The rapper Kid Frost showcased lowriding in the early 90s hit Lowrider, and since then, the cars are closely associated with hip hop culture. Today, lowriding is bigger than ever with thousands of enthusiasts in most parts of the world. All strive to outdo each other with the most elegant varnish, interior, hydraulics, chrome and rims. The custom cars you'll be coloring in the Lowrider Coloring book were converted by some of the best and most legendary enthusiasts. What color is your Impala?

My Childhood in a Box Louise Long,2020-07-16 The late Louise Long (nee Luisa Ravalico) recounts her

bitter-sweet story in this innocent, powerful and gripping autobiography. It is about her coming of age in the 1950's during the Istrian-Dalmatian exodus post-World War II. It was a time of expulsion and departure of ethnic Italians from the Yugoslav territory of Istria. Louisa depicts the complete contrast between two eras in her life; one of happiness and comfort to one of misery and poverty. It is the story of human suffering and degradation but filled with hope, endurance and fight of the human spirit.

Chasing Hillary Amy Chozick, 2018-04-24 New York Times bestseller “The Devil Wears Prada meets The Boys on the Bus”—New York Times The dishy, rollicking, and deeply personal story of what really happened in the 2016 election, as seen through the eyes of the New York Times reporter who gave eight years of her life to covering the First Woman President who wasn't. For a decade, award-winning New York Times journalist Amy Chozick chronicled Hillary Clinton's pursuit of the presidency. Chozick's front-row seat, initially covering Clinton's imploding 2008 campaign, and then her assignment to “The Hillary Beat” ahead of the 2016 election, took her to 48 states and set off a nearly ten-years-long journey in which the formative years of her twenties and thirties became – both personally and professionally – intrinsically intertwined to Clinton's presidential ambitions. Chozick's candor and clear-eyed perspective—from her seat on the Hillary bus and reporting from inside the campaign's Brooklyn headquarters, to her run-ins with Donald J. Trump and her globetrotting with Bill Clinton— provide fresh intrigue and insights into the story we thought we all knew. This is the real story of what happened, with the kind of dishy, inside details that repeatedly surprise and enlighten. But *Chasing Hillary* is also a rollicking, irreverent, refreshingly honest personal story of how the would-be first woman president looms over Chozick's life. And, as she gets married, attempts to infiltrate the upper echelons of political journalism and inquires about freezing her eggs so she can have children after the 2016 campaign, Chozick dives deeper into decisions Clinton made at similar points in her life. In the process, Chozick came to see Clinton not as an unknowable enigma and political animal but as a complex person, full of contradictions and forged in the political battles and media storms that had long predated Chozick's years of coverage. Trailing Clinton through all of the highs and lows of the most noxious and wildly dramatic presidential election in American history, Chozick comes to understand what drove Clinton, how she accomplished what no woman had before, and why she ultimately failed. Poignant, illuminating, laugh-out-loud funny, *Chasing Hillary* is a campaign book like never before that reads like a fast-moving political novel.
