This modern classic resides at the intersection of history, anthropology, Caribbean, African-American, and post-colonial studies, and has become a staple in college classrooms around the country. **Typographic Systems of Design** Kimberly Elam,2007-05-03 Typographic organization has always been a complex system in that there are so many elements at play, such as hierarchy, order of reading, legibility, and contrast. In *Typographic Systems*, Kim Elam, author of our bestselling books, *Geometry of Design* and *Grid Systems*, explores

eight major structural frameworks beyond the grid including random, radial, modular, and bilateral systems. By taking the reader through exercises, student work, and professional examples, Elam offers a broad range of design solutions. Once essential visual organization systems are understood the designer can fluidly organize words or images within a structure, combination of structures, or a variation of a structure. With clarity and substance, each system from the structured axis to the nonhierarchical radial array is explained and explored so that the reader comes away with a better understanding of these intricate complex arrangements. *Typographic Systems* is the seventh title in our bestselling *Design Briefs* series, which has sold more than 100,000 copies worldwide.

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27

Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.
