Gaspar de Carvajal

Teaching Writing from a Writer's Point of View Terry Hermsen, Robert Fox, 1998 Based on a series of successful summer writing institutes, this book presents practical ways for teachers to reinvigorate their classrooms and their own attitudes toward creative writing. In four complementary sections focusing on four groups of writers-- creative writers in residence, K-12 students and teachers who participated in the summer institutes, and established writers such as Ron Carlson and Scott Russell Sanders--the book demonstrates the enormous variety and high quality of writing that result when people use writing to discover what they want to say. After an introduction by Robert Fox (*The Experience of Writing: A Summer Institute*), the first section presents essays by Ohio writers in the schools; *Doing Our Own Possibility: Journal of a Residency at Columbiana County Head Start Centers* (Debra Conner); *Playwriting: A Teaching Approach Using the Stories of Our Lives* (Michael McGee London); *Just across the Street: The Story of a Teacher-Based Residency* (Lynn Powell); *Translytics: Creative Writing Derived from Foreign Language Texts* (Nick Muska); *How to Do a Poetry Night Hike* (Terry Hermsen); and *Reading to a Sky of Soba* (David Hassler). The second part presents poems, stories, and plays from 13 Ohio schools. The third part presents essays from participants in the experience of writing: *When Spirit Moves, Children Sing* (MaryAnn Titus); *Sudden Revelation: Fiction Writing in the Classroom* (Carl H. Krauskopf III); *A Year of Writing Workshop* (Mary L. Noble); *Word Works: Building a Community of Writers* (Janice M. Gallagher); and *Green Digits and Colons: Find Time to Write* (Barry Peters). The last section presents essays from experiences of writing faculty: *Turning the Desk* (Ron Carlson); *The Singular First Person* (Scott Russell Sanders); and *Reveling in the World: An Interview with Christopher Merrill on the Power of Language and Teaching* (Terry Hermsen). (RS)

Britain in Cyprus Hubert Faustmann, Nicos Peristianis, 2009-04 Seit 125 Jahren spielt Grossbritannien in der Geschichte, Gesellschaft und Kultur Zyperns eine bedeutende Rolle. Zwischen 1878 und 1960 war Zypern eine britische Kolonie und wahrend dieser Zeit entstanden die zahlreiche Charakteristika der modernen zypriotischen Gesellschaft. Von 1955 bis 1959 kampfte die griechisch-zypriotische Untergrundarmee EOKA fur ein Ende der Kolonialherrschaft und die Vereinigung der Insel mit Griechenland. Der Konflikt, der auch zu burgerkriegsahnlichen Auseinandersetzungen mit der turkisch-zypriotischen Volksgruppe und fast zum Krieg zwischen Griechenland und der Türkei fuhrte, endete mit einem Kompromiss, den keiner gewollt hatte: der unabhngigen Republik Zypern. Bis heute wird Grossbritannien beschuldigt, die Hauptverantwortung fur die Entstehung dieses Konfliktes und seine Eskalation in den 50er Jahren zu tragen. Auch nach der Unabhngigkeit spielten die Briten in der Geschichte der Insel eine

besondere und ausserst umstrittene Rolle. Als Garantiemacht teilten sie sich zusammen mit Griechenland und der Türkei die Verantwortung für die Bewahrung der verfassungsmässigen Ordnung und territorialen Integrität der Insel. Zudem behielten die Briten zwei souveräne Militärbasen, die sie bis heute als koloniale Relikte nutzen. 1963 brach die verfassungsmässige Ordnung der Republik zusammen, es kam erneut zum Bürgerkrieg. Der Konflikt zwischen beiden Volksgruppen und ihren Mutterländern Griechenland und Türkei kulminierte 1974 in einem Coup d'Etat der Militärjunta in Athen gegen den griechisch-zypriotischen Präsidenten Makarios, den die Türkei mit einer Invasion der Insel beantwortete, der zu der bis heute andauernden Teilung der Insel führte. Grossbritannien wird beschuldigt, als Garantiemacht seit 1963 versagt zu haben. Lassen sich diese Anschuldigungen halten? Das vorliegende Buch enthält die bislang umfassendste Darstellung der britisch-zypriotischen Beziehungen zwischen 1878 und dem heutigen Tage. Mehr als 40 Arbeiten von anerkannten Zypernexperten beleuchten die Rolle, die Grossbritannien bei der Entstehung und im Verlauf des Zypernkonfliktes bis heute spielte. Die historisch-politische Analyse wird durch eine Reihe von weiteren Arbeiten ergänzt, die sich mit soziologischen, anthropologischen, wirtschaftlichen und kulturellen Aspekten der britisch-zypriotischen Beziehungen beschäftigen. Das Publikation beinhaltet eine Fülle bislang unveröffentlichter Forschungsergebnisse und ist ein Muss für jeden, der sich für britisch-zypriotischen Beziehungen, die moderne zypriotische Geschichte sowie für Kolonialismus und seine Auswirkungen interessiert. Britain played an important role in Cypriot history, society and culture during the last 125 years. Cyprus was a British colony from 1878 to 1960 and during this period many of the features of modern Cypriot society were shaped. Between 1955 and 1959 EOKA, a Greek-Cypriot underground organisation, fought an armed struggle for union of the island with Greece. This conflict resulted also in civil strife between the Greek-Cypriot and Turkish-Cypriot communities and led to the involvement of Greece and Turkey which came to the brink of war over the island. In the end a compromise was found nobody had wished for: independence. Until today Britain is accused of carrying the main responsibility for the emergence and escalation of the Cyprus conflict through a consistent policy of divide and rule. Britain also played an important role in the history of the island after independence. The UK shared together with Greece and Turkey the responsibility for the preservation of the constitutional order and the territorial integrity of the island. Moreover, Britain retained two sovereign military bases as colonial relics. In 1963 the constitutional order of the Republic broke down resulting in renewed armed conflict between the two communities. The unresolved conflict between the Greek and Turkish Cypriots as well as their mother countries culminated in a Greek coup d'etat against the Greek Cypriot president Makarios and an ensuing Turkish invasion in 1974, which led to the current division of the island. Britain is accused of having failed to live up to its responsibilities as a Guarantor power. Are all these accusations justified? This book contains the most comprehensive analysis of the relations between Great Britain and Cyprus from 1878 to the present day. More than 40 eminent scholars assess the British role in the emergence and the historical course of the Cyprus problem as well as the British-Cypriot relations after independence. The historical-political analysis is enriched by a number of articles dealing with sociological, anthropological, economic and cultural aspects of

British-Cypriot relations. This book is an essential source for anybody interested in British-Cypriot relations, modern Cypriot history as well as Colonialism and Post-Colonialism.
