RAGDOLL CATS AS PETS Lolly Brown,2016-12-02 A guide to Ragdoll Cats: their breed, how they live, how to deal with them and realize the great benefits of owning one.

Ragdoll Cat Richard Owen,2020-06-19 Ragdoll cats make very good pets. You will never feel bored when living with a Ragdoll cat. It is a playful cat that engages you all the time. The Ragdoll cat is very good with children, with whom it develops a very strong bond because of its playful and calm nature. I happen to have had parents who were very fond of cats, to a point where they kept different cat breeds at any given time. Our home was similar to a cattery. The experience of living with such diverse cat breeds, as I now realize, was very beneficial. Not only did I become fond of cats, I have gone a step further and ventured into breeding and showing cats. Although I am fond of a few cat breeds because of their intelligence and attention that they seek and offer, the Ragdoll cat breed remains one of my favourites. Of all cat breeds that I have lived with and kept as pets, I have never come across a cat as expressive as the Ragdoll. Perhaps the joy of living with a Ragdoll cat is not only its beauty but also in its habit of collapsing in your hands as if it is lifeless. The person who gave it its name chose it cleverly to suit this cat. Covered in this book: - General information - What to know before you buy - Bringing your cat home - Feeding - Grooming - Health - Breeding

The Ultimate Guidance To Ragdoll Cats Owner Gilbert Christin,2021-05-07 Ragdoll cats are known to be gentle, calm, and sociable. Affectionate without being demanding, Ragdolls have an almost dog-like devotion to their owners. Some people also say they are attuned to emotional needs, a characteristic that makes them a perfect companion animal. Ragdolls are in no rush to grow up, retaining their playful, kitten-like nature for years. This makes them a great fit for families with young children. While the average cat is mostly fully grown by the age of one, Ragdolls grow in spurts until they are about four years old. This ultimate guide will teach you how to be the best Ragdoll owner you can be! Inside this book, you will find tons of helpful information about Ragdoll Cats: their breed, how they live, how to deal with them, and realize the great benefits of owning one!
