The Thousand and One Nights Muhsin S. Mahdi, 2023-08-07 Almost three centuries have passed since the oldest manuscript of The Thousand and One Nights arrived in Europe. Since then, the Nights have occupied the minds of scholars world-wide, in particular the questions of origin, composition, language and literary form. In this book, Muhsin Mahdi, whose critical edition of the text brought so much praise, explores the complex literary history of the Nights, bringing to fruition the search for the archetype that constituted the core of the surviving editions, and treating the fascinating story of the growth of the collection of stories that we now know as The Thousand and One Nights.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Ligeia Edgar Allan Poe, 2024-02-05 In Edgar Allan Poe's Ligeia, the narrator recounts his intense love for the intelligent and beautiful Ligeia. After her mysterious death, he remarries, but Ligeia's presence haunts him, leading to a chilling climax that explores themes of love, death, and the supernatural.

Feeding the Dragon Chris Fenton, 2020-07-28 "Paced like a thriller, with comparable doses of international intrigue and conflict, Chris Fenton's bracingly candid business memoir Feeding the Dragon takes readers deep behind the scenes of Hollywood's shaky foothold in China. Dealing at the highest levels with Chinese government officials and major American brands like Disney, Marvel, and the NBA, the former Olive Garden waiter-turned-entertainment-industry-power-broker disarmed and defied authorities on both sides of the superpower divide to make billions—and history. Thanks to a brisk, page-turning storytelling style and an evenhanded, insider-level

perspective decades in the making, *Feeding the Dragon* manages to be both timeless and timely. Captivating details on Robert Downey Jr., LeBron James, Kurt Cobain, Michael Phelps, and Marvel Universe creative mastermind Kevin Feige (among others) will enthrall average fans and aspiring moguls alike. But the beating narrative heart remains Fenton's down-to-earth recounting of a headline-making journey. Ultimately, the intrepid exec builds a compelling case for the power of "cultural diplomacy": mutually-beneficial, soft power-sharing exchanges as a better way forward than the hardliner battle lines being drawn across Beijing, Washington, and Los Angeles. Teeming with urgent insights about unlikely alliances and dangerous misperceptions, *Feeding the Dragon* is a must-read for anyone interested in the future of the US-China relationship and the bottom-line realities of show business and professional sports today. Even better, it's a supremely entertaining ride for anyone who simply loves a great story.... Chris often told me about projects and plans off-the-record that I wouldn't have reported on anyway, because they all seemed wildly improbable. Every single one came true. And now they're all down on the page."

—Jamie Bryan, *Fast Company* contributor

Unchained Mind Ricardo G. Williams, 2017-03-15 I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinking chains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

Hollywood Highbrow Shyon Baumann, 2018-06-05 Today's moviegoers and critics generally consider some Hollywood products--even some blockbusters--to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie art. Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large

changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies--and not just European ones--deserved to be considered art.

Duty and Desire Book Club Edition Anju Gattani,2021-01-27 To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.sion.

Dear Black Girls Shanice Nicole,2021-02-08 Dear Black Girls is a letter to all Black girls. Every day poet and educator Shanice Nicole is reminded of how special Black girls are and of how lucky she is to be one. Illustrations by Kezna Dalz support the book's message that no two Black girls are the same but they are all special--that to be a Black girl is a true gift. In this celebratory poem, Kezna and Shanice remind young readers that despite differences, they all deserve to be loved just the way they are.

Mr Shaha's Marvellous Machines Alom Shaha,2021-07-08 Transform and recycle household objects into your very own home-made toys and machines! Learn about the centre of gravity by making a balancing bird, create a toroidal vortex with a smoke-ring machine, and turn a spoon into an electromagnet. Chances are you won't need to buy the materials required for these machines because they're all in your house right now. Every child can be an engineer with the help of Mr Shaha and his marvellous machines. Written by a science teacher and dad, Mr Shaha's Marvellous Machines is the highly anticipated sequel to Mr Shaha's Recipes for Wonder. This book gives clear, step-by-step instructions for over 15 projects. Whether you're a master engineer or a total beginner, it will spark inspiration for fun activities to engage young people in the marvels of machinery.

Shadowed Isabel Wroth,2018-02-12 When an orbital prison is torn through a wormhole and crashes on an unknown planet, it's every woman for herself to escape the wreckage.As though savage beasts and harsh, alien climates aren't enough, the survivors discover the world isn't uninhabited and must face new challenges--risking not only

their lives but their hearts. DEJA thought she could fear nothing more than the daily treatments she received during her imprisonment on the Concord. The horrible experiments which rack her body with unimaginable, searing pain. But she discovers the true meaning of terror as she clings to life pod's harness while plummeting toward the surface of an unknown planet. Struggling to outrun the beasts hunting her, fighting to outrun the light, Deja hastens for the only cover she can find -- between the feet of a giant stone statue. Only statues aren't supposed to move, or wrap you in their arms and carry you off INTO SHADOW...Welcome to Sonhadra. The Valos of Sonhadra series is the shared vision of nine sci-fi and fantasy romance authors. Each book is a standalone, containing its own Happy Ever After, and can be read in any order. For total satisfaction, it is BEST read as part of the SERIES.
