Lightless C.A. Higgins, 2015-09-29 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED AND KIRKUS REVIEWS • With deeply moving human drama, nail-biting suspense—and bold speculation informed by a degree in physics—C. A. Higgins spins a riveting science fiction debut guaranteed to catapult readers beyond their expectations. Serving aboard the Ananke, an experimental military spacecraft launched by the ruthless organization that rules Earth and its solar system, computer scientist Althea has established an intense emotional bond—not with any of her crewmates, but with the ship’s electronic systems, which speak more deeply to her analytical mind than human feelings do. But when a pair of fugitive terrorists gain access to the Ananke, Althea must draw upon her heart and soul for the strength to defend her beloved ship. While one of the saboteurs remains at large somewhere on board, his captured partner—the enigmatic Ivan—may prove to be more dangerous. The perversely fascinating criminal whose silver tongue is his most effective weapon has long evaded the authorities’ most relentless surveillance—and kept the truth about his methods and motives well hidden. As the ship’s systems begin to malfunction and the

claustrophobic atmosphere is increasingly poisoned by distrust and suspicion, it falls to Althea to penetrate the prisoner's layers of intrigue and deception before all is lost. But when the true nature of Ivan's mission is exposed, it will change Althea forever—if it doesn't kill her first. Praise for *Lightless* "Gripping . . . sci-fi flavored with a hint of thriller."—New York Daily News "[A] measured, lovely science-fiction debut [that is] more psychological thriller . . . contained, disciplined, tense . . . The plot is compulsive. . . . *Lightless* is the first of a planned series, and you can't help looking forward to learning what's next."—The New York Times "*Lightless* is full of suspense and fun as hell to read."—BuzzFeed "Absolutely brilliant . . . This is science fiction as it is meant to be done: scientific concepts wedded to and built upon human ideals."—Seanan McGuire, New York Times bestselling author of the *October Daye* series "The stakes in this story are high—life and death, rebellion and betrayal—and debut novelist Higgins continually ratchets up the tension. . . . A suspenseful, emotional story that asks plenty of big questions about identity and freedom, this is a debut not to be missed."—Kirkus Reviews (starred review) "A taut, suspenseful read."—Tech Times "*Lightless* is an exercise in lighting a very slow fuse and building the tension to an

unbearable pitch while making us guess just how apocalyptic the ultimate explosion will be. . . . It is a high-wire act, a wonderment, and a fine accomplishment from a name we'll be seeing again.”—Sci Fi

The Girl in the Road Monica Byrne, 2014-05-20 A debut that Neil Gaiman calls “Glorious. . . . So sharp, so focused and so human.” *The Girl in the Road* describes a future that is culturally lush and emotionally wrenching. Monica Byrne bursts on to the literary scene with an extraordinary vision of the future. In a world where global power has shifted east and revolution is brewing, two women embark on vastly different journeys—each harrowing and urgent and wholly unexpected. When Meena finds snakebites on her chest, her worst fears are realized: someone is after her and she must flee India. As she plots her exit, she learns of the Trail, an energy-harvesting bridge spanning the Arabian Sea that has become a refuge for itinerant vagabonds and loners on the run. This is her salvation. Slipping out in the cover of night, with a knapsack full of supplies including a pozit GPS, a scroll reader, and a sealable waterproof pod, she sets off for Ethiopia, the place of her birth. Meanwhile, Mariama, a young girl in Africa, is forced to flee her home. She joins up with a caravan of misfits heading

across the Sahara. She is taken in by Yemaya, a beautiful and enigmatic woman who becomes her protector and confidante. They are trying to reach Addis Abba, Ethiopia, a metropolis swirling with radical politics and rich culture. But Mariama will find a city far different than she ever expected—romantic, turbulent, and dangerous. As one heads east and the other west, Meena and Mariama's fates are linked in ways that are mysterious and shocking to the core. Written with stunning clarity, deep emotion, and a futuristic flair, *The Girl in the Road* is an artistic feat of the first order: vividly imagined, artfully told, and profoundly moving.

Superman Mini Statue ,2006-06-13

Primordial Soup Grant Naylor,1993

King David's Spaceship Jerry Pournelle,1991-06-01 With their discovery by the CoDominium Imperial Navy ending their own one-thousand-year isolation, Prince Samuel's World will become a lowly administrated colony, unless the monarch can discover the secrets of space technology

Delve into the emotional tapestry woven by Emotional Journey with in **Red Dwarf Kryten Papercraft Head** . This ebook, available for

download in a PDF format (*), is more than just words on a page; it is a journey of connection and profound emotion. Immerse yourself in narratives that tug at your heartstrings. Download now to experience the pulse of each page and let your emotions run wild.

Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. How do I create a Red Dwarf Kryten Papercraft Head PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF	creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. How do I edit a Red Dwarf Kryten Papercraft Head PDF? Editing a PDF can be done with software like Adobe
---	---	--

Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. How do I convert a Red Dwarf Kryten Papercraft Head PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe	Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. How do I password-protect a Red Dwarf Kryten Papercraft Head PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for	instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF
--	--	--

viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac),	or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may	not be legal depending on the circumstances and local laws.
