**The Telltale Lilac Bush and Other West Virginia Ghost Tales** Ruth Ann Musick, 2010-09-12 West Virginia boasts an unusually rich heritage of ghost tales. Originally West Virginians told these hundred stories not for idle amusement but to report supernatural experiences that defied ordinary human explanation. From jealous rivals and ghostly children to murdered kinsmen and omens of death, these tales reflect the inner lives—the hopes, beliefs, and fears—of a people. Like all folklore, these tales reveal much of the history of the region: its isolation and violence, the passions and bloodshed of the Civil War era, the hardships of miners and railroad laborers, and the lingering vitality of Old World traditions.

**Darkmore Penitentiary** Caroline Peckham, Susanne Valenti, 2020 “We’re going to own you.” “We’re going to break you.” “When we’re through with you, you won’t remember life before you were ours.” That’s what they whisper as I pass their cells. Ha. Guess what bastardos? I’m Rosalie Oscura, champion underground cage-fighter and freaking Alpha Werewolf from the infamous Oscura Clan. My family wrote the book on criminal organisations and I’ll be ruling this place by the time the next moon rises. Papà always said my hot head would land me in here one day. The supernatural prison they call Darkmore Penitentiary. Where they send the cruellest, most dangerous Fae in Solaria. Like me apparently. So maybe I deserve to be in prison, but do you want to know a secret? I planned to get sent to Darkmore Penitentiary. I’ve come to break out the most notorious criminal in Solaria. The

trouble is, I need the help of the four Alpha males to get out of here. And they happen to hate each other almost as much as they hate me. But I always did love a challenge. How hard could it be to make them accept me as their leader? -- Back cover.

**The Poisonwood Bible** Barbara

Kingsolver, 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection "Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty." —Los Angeles Times Book Review The Poisonwood Bible, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic

order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleana Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.
