Slavery by Another Name Douglas A. Blackmon,2012-10-04 A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

The Ethnic Cleansing of Palestine Ilan Pappé,2007-09-01 The book that is providing a storm of controversy, from 'Israel's bravest historian' (John Pilger) Renowned Israeli historian, Ilan Pappé's groundbreaking work on the formation of the State of Israel. 'Along with the late Edward Said, Ilan Pappé

is the most eloquent writer of Palestinian history.' NEW STATESMAN Between 1947 and 1949, over 400 Palestinian villages were deliberately destroyed, civilians were massacred and around a million men, women, and children were expelled from their homes at gunpoint. Denied for almost six decades, had it happened today it could only have been called 'ethnic cleansing'. Decisively debunking the myth that the Palestinian population left of their own accord in the course of this war, Ilan Pappé offers impressive archival evidence to demonstrate that, from its very inception, a central plank in Israel's founding ideology was the forcible removal of the indigenous population. Indispensable for anyone interested in the current crisis in the Middle East. *** 'Ilan Pappé is Israel's bravest, most principled, most incisive historian.' JOHN PILGER 'Pappé has opened up an important new line of inquiry into the vast and fateful subject of the Palestinian refugees. His book is rewarding in other ways. It has at times an elegiac, even sentimental, character, recalling the lost, obliterated life of the Palestinian Arabs and imagining or regretting what Pappé believes could have been a better land of Palestine.' TIMES LITERARY SUPPLEMENT 'A major intervention in an argument that will, and must, continue. There's no hope of lasting Middle East peace while the ghosts of 1948 still walk.' INDEPENDENT

The Death of Cancer Vincent T. DeVita, Jr., M.D.,Elizabeth DeVita-Raeburn,2015-11-03 Cancer touches everybody's life in one way or another. But most of us know very little about how the disease works, why we treat it the way we do, and the personalities whose dedication got us where we are today. For fifty years, Dr. Vincent T. DeVita Jr. has been one of those key players: he has held just about every major position in the field, and he developed the first successful chemotherapy treatment for Hodgkin's lymphoma, a breakthrough the American Society of Clinical Oncologists has called the top research advance in half a century of chemotherapy. As one of oncology's leading figures, DeVita knows what cancer looks like from the lab bench and the bedside. *The Death of Cancer* is his illuminating and deeply personal look at the science and the history of one of the world's most formidable diseases. In DeVita's hands, even the most complex medical concepts are comprehensible. Cowritten with DeVita's daughter, the science writer Elizabeth DeVita-Raeburn, *The Death of Cancer* is also a personal tale about the false starts and major breakthroughs, the strong-willed oncologists who clashed with conservative administrators (and one another), and the courageous patients whose willingness to test cutting-edge research helped those oncologists find potential treatments. An emotionally compelling and informative read, *The Death of Cancer* is also a call to arms. DeVita believes that we're well on our way to curing cancer but that there are things we need to change in order to get there. Mortality rates are declining, but America's cancer patients are still being shortchanged—by timid doctors, by misguided national agendas, by compromised bureaucracies, and by a lack of access to information about the strengths and weaknesses of the nation's cancer centers. With historical depth and authenticity, DeVita reveals the true story of the fight against cancer. *The Death of Cancer* is an ambitious, vital book about a life-and-death subject that touches us all.

Magicians Impossible Brad Abraham,2017-09-12 Harry Potter meets James Bond in this story of a twenty-something slacker who discovers that he is descended from a line of magical spies and is thrust into the middle of a secret and epic battle. "Magicians Impossible is a mind-bending page-turner! A brilliant and unique mash-up of spells, myth and mayhem, once it got its claws in me I couldn't put it down. Like a veteran stage magician, Brad Abraham has created a hip thriller that turns convention on its ear with misdirection and mayhem. A must read for enthusiasts of edgy and extreme fiction." —Don Coscarelli, director of *John Dies At The End* Twenty-something bartender Jason Bishop's world is shattered when his estranged father commits suicide, but the greater shock comes when he learns his father was a secret agent in the employ of the Invisible Hand; an ancient society of spies wielding magic in a centuries-spanning

war. Now the Golden Dawn—the shadowy cabal of witches and warlocks responsible for Daniel Bishop’s murder, and the death of Jason’s mother years before—have Jason in their sights. His survival will depend on mastering his own dormant magic abilities; provided he makes it through the training. From New York, to Paris, to worlds between worlds, Jason’s journey through the realm of magic will be fraught with peril. But with enemies and allies on both sides of this war, whom can he trust? The Invisible Hand, who’ve been more of a family than his own family ever was? The Golden Dawn, who may know the secrets behind his mysterious lineage? For Jason Bishop, only one thing is for certain; the magic he has slowly been mastering is telling him not to trust anybody.

Where the Crawdads Sing (Movie Tie-In) Delia Owens, 2022-06-28 NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature” (The New York Times Book Review). For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

HWPO Mat Fraser, Spenser Mestel, 2022-01-11 NATIONAL BESTSELLER • Transform your body and mind with the definitive guide to building peak strength, endurance, and speed, from the five-time CrossFit Games champion and Fittest Man on Earth No matter your level of fitness, no matter if you've never attempted CrossFit before, this book is your total training manual. Mat Fraser is undisputedly the fittest man in CrossFit history for winning the CrossFit Games an unprecedented five times. A student of engineering, Fraser optimized his body like a machine, and his absolute dedication to the training program he designed for himself is now legendary. For years, every single decision he made was weighed against the question: Will this help me win? If the answer was no, he didn't do it. If it would give him even the slightest edge or advantage, he would—no matter the cost. Fraser became a master of identifying his weaknesses and then seeking out training methods to improve them, and he's idolized in the fitness community for his relentless pursuit of peak performance. It's not hard to see why he achieved so much success—but how is a different question. Throughout his career, Fraser has been highly guarded about his specific training techniques (after all, sharing them would not help him win the CrossFit Games). But with his recent retirement from competition, Fraser is finally ready to open up about his path to the podium. **HWPO** reveals the workouts, training hacks, eating plans, and mental strategies that have helped make him a champion. It's an incredible resource of elite training strategies, illustrated workouts, and motivational stories, and it's a glimpse into the mind of one of the world's greatest athletes.

Lead Me Matt Hammitt, 2020-02-11 The former lead singer of Christian music sensation Sanctus Real comes clean about the tension between life on the road and life at home. “Father, lead me, ’cause I can’t do this alone.” —“Lead Me” by Sanctus Real Matt Hammitt had performed his hit song, “Lead Me,” almost a thousand times. And every time he sang, the lyrics echoed the voices of his own family. His marriage was strained. His kids were growing up without him. Matt’s good intentions could no longer sustain his family; he needed to be a man of action. Yet even as he told his Sanctus Real bandmates that he was leaving the band to invest in his family, he wondered: Was it really possible to be present at home and still provide financially too? In *Lead Me*, Matt identifies the tension many men experience when trying to balance work and home life. With bracing honesty, vulnerable storytelling, and practical application, Matt challenges you to be faithful both to God’s vocational call and to His call to lead your family well. Discover the extraordinary joy of actively and intentionally pursuing your wife and children. Matt reminds us that it’s messy. It’s difficult. And it’s the most rewarding thing you can do, beyond following Christ.
