The Spanish Coastal Systems Juan A. Morales,2018-09-03 This monograph presents the state of art of the geologic knowledge about the Spanish coast obtained through scientific research in the last 30 years.From a general point of view, coasts are the most quickly changing systems of the Earth. This is critical, since many human resources, such as the main part of economic and social activities, are located in the coastal areas. Especially in the case of Spain these coasts include cities, wide industrial areas (including harbor complexes), important ecologic systems, and our main economic resource: tourism. Understanding the dynamic functioning of each element of this coast is vital for correct future coastal management, so as to solve problems derived from bad plans developed in the last decades of the twentieth century. This is a valuable text for advanced graduate students and coastal researchers, which connects the specific dynamic functioning of the main Spanish coastal environments and their relationships with human activities.

Walking and Trekking on Corfu Gillian Price,2023-04-20 This

guidebook to the Greek island of Corfu describes a selection of 22 superb day walks throughout the island, along with the 150km Corfu Trail. The day walks range from 3.5 to 18km in length, and begin from a number of popular holiday destinations across the island, including Corfu Town (home of the Durrell family), Kalami, Paleokastritsa, Agios Georgios north and south, Liapades and Benitses. The 10-stage Corfu Trail starts near Kavos at the island's southernmost tip and ends at Agios Spiridonas, its northerly promontory. The Corfu Trail is suitable for both novice and experienced walkers, and can be walked year round, however accommodation is easier to find between May to October. The wide range of day walks provides a taste of the many different landscapes of the island from coastal paths and beaches to olive groves and wooded hills. Alongside detailed route descriptions and clear maps, the guidebook has notes on Corfu's plants and wildlife, food and drink, and useful advice on travel to and around the island. It includes suggestions for where to stay, as well as a glossary of useful expressions. Corfu is the greenest of the Greek islands and one of the most accessible; the walks described avoid the crowded resorts and allow you to experience the laidback atmosphere and varied natural landscapes of this beautiful island.

Camino Portugués Maps John Brierley, 2017-12-01 Spiritual seekers and travelers will find all the resources they need to walk the Way of St. James in this complete set of maps and town plans covering the sacred route from Lisbon, via Porto, to Santiago de Compostella, including the alternate coastal route. For the first time, the 2018 edition also includes a Spiritual Variant and a Littoral Path. This newly updated, portable travel companion is light enough to carry while walking long distances each day and contains maps with locations of all pilgrim hostels, the distances between villages, and points of interest, as well as alternative routes and accommodations. The entire guide is provided in three languages: English, Spanish and Portuguese.

Women of Vision, 2013 For 125 years, National Geographic has documented the world and all that is in it with stunning photography that captures the soul of a story beyond the words on a page. Some of the most powerful narratives of the past decade have been produced by a forward-thinking generation of women photojournalists as different as the places and the subjects they have covered--Page [2] of cover.

Mutual Fund Industry Handbook Lee Gremillion, 2012-06-22 The Mutual Fund Industry Handbook is a remarkably important work . . . I am profoundly impressed by the broad and comprehensive sweep of information and knowledge that this book makes available to industry participants, college and business school students, and anyone else with a serious interest in this industry. -- From the Foreword by John C. Bogle President, Bogle Financial Markets Research Center Founder

and former chief executive, The Vanguard Group A Foreword by John C. Bogle, founder of The Vanguard Group and one of the most respected leaders in the mutual fund industry, sets the stage for this authoritative book that explains the complexities of the phenomenal industry in simple terms. Investors like the fact that mutual funds offer professional management, easy diversification, liquidity, convenience, a wide range of investment choices, and regulatory protection. Mutual Fund Industry Handbook touches on all of those features and focuses on the diverse functions performed in the day-to-day operations of the mutual fund industry. You'll learn about: Front-office functions-analysis, buying, and selling. Back-office functions, including settlement, custody, accounting, and reporting. Commission structures-front-end loads, back-end loads, or level loads. The various fund categories used by the Investment Company Institute, Morningstar, and Lipper. The roles played by fund managers, investment advisors, custodial banks, distributors, transfer agents, and other third-party service providers. If you want a definitive reference on the mutual fund industry, this is the book for you.

Casas mediterráneas Xavier Güell, 1994 Luxurious vacation homes in gorgeous Costa Brava enrich the pages of this new edition. Patterned on previous issues in this successful series devoted to Mediterranean houses, this is the second volume to highlight homes on the Costa Brava, a particularly affluent coastal region of Spain. Houses were selected for the book by the respected Spanish architect and author Xavier Guell. Some twenty outstanding residences are highlighted, most constructed within the past five years. Architects and laypersons building or buying a coastal vacation home will find new insight and perspective on the architecture of gracious holiday homes in these pages.
