The Ikigai Journey Hector Garcia,Francesc Miralles,2020-06-23 In The Ikigai Journey, authors Hector Garcia and Francesc Miralles take their international bestseller Ikigai: the Japanese Secret to a Long and Happy Life a step further by showing you how to find your own ikigai through practical exercises, such as employing new habits and stepping outside your comfort zone. Ikigai is the place where our passion (what we love), mission (what we hope to contribute), vocation (the gifts we have to offer the world) and profession (how our passions and talents can become a livelihood) converge, giving us a personal sense of meaning. This book helps you bring together all of these elements so that you can enjoy a balanced life. Our ikigai is very similar to change: it is a constant that transforms depending on which phase of life we are in. Our reason for being is not the same at 15 as it is at 70. Through three sections, this book helps you to accept and embrace that--acting as a tool to revolutionize your future by helping you to understand the past, so you can enjoy your present. Section 1: Journey Through the Future: Tokyo (a symbol of modernity and innovation) Section 2: Journey Through the Past: Kyoto (an ancient capital moored in tradition) Section 3: Journey Through the Present: Ise (an ancient shrine that is destroyed and rebuilt every twenty years) Japan has one of the longest life spans in the world, and the greatest number of centenarians--many of whom cite their strong sense of ikigai as the basis for their happiness and longevity. Unlike many self-care practices, which require setting aside time in an increasingly busy world, the ikigai method helps you find peace and fulfillment in your busy life.

Panda Love ,2018-06-05 Panda Love is a collection of incredible images of these gentle giants. Ami Vitale's stunning photographs, taken on location in China, document the efforts to breed pandas and release them back into the wild. Ami was given unprecedented access to the pandas and her photos give an amazing insight into the bears' lives in both the sanctuaries and their natural habitat. Fluffy panda cubs tumble out of baskets and play hide-and-seek with their carers, while the adult pandas curiously explore the forest and climb trees. The giant panda is everyone's favorite bamboo-munching bear. China may be on its way to successfully saving its most famous ambassador, and Panda Love lovingly documents the process of putting the wild back into an icon.

Decorative Silhouettes Dover Publications Inc,2003-01-01 An ancient art form dating back to cave wall paintings from the Paleolithic age, silhouette illustrations reached their height of popularity in the eighteenth and nineteenth centuries, when they served as excellent — yet inexpensive — forms of portraiture. Gathered from a variety of rare sources, this collection of 690 silhouettes displays an array of subjects, each filled with a charming, nostalgic flavor. Images include children playing, household animals in a variety of poses, couples embracing, people working and handling everyday chores, and much more. Kawaii! Manami Okazaki, Geoff Johnson, 2013-04-17 Showcasing Japan's astonishingly varied culture of cute, this volume takes the reader on a dazzling and adorable visual journey through all things kawaii. Although some trace the phenomenon of kawaii as far back as Japan's Taisho era, it emerged most visibly in the 1970s when schoolgirls began writing in big, bubbly letters complete with tiny hearts and stars. From cute handwriting came manga, Hello Kitty, and Harajuku, and the kawaii aesthetic now affects every aspect of Japanese life. As colorful as its subject matter, this book contains numerous interviews with illustrators, artists, fashion designers, and scholars. It traces the roots of the movement from sociological and anthropological perspectives and looks at kawaii's darker side as it morphs into gothic and gloomy iterations. Best of all, it includes hundreds of colorful photographs that capture kawaii's ubiquity: on the streets and inside homes, on lunchboxes and airplanes, in haute couture and street fashion, in cafés, museums, and hotels.
