Freight Train Donald Crews,2011-08-23 In simple, powerful words and vibrant illustrations, Donald Crews evokes the rolling wheels of that childhood favorite: a train. This Caldecott Honor Book features bright colors and bold shapes. Even a child not lucky enough to have counted freight cars will feel he or she has watched a freight train passing after reading *Freight Train*. Donald Crews used childhood memories of trains seen during his travels to his grandparents' farm in the American South as the inspiration for this timeless favorite. New York magazine's *The Strategist* chose *Freight Train* as one of the Best (Nonobvious) Baby Books to Bring to a Shower. As *The Strategist* stated: The Caldecott Honor Book is spare and minimal in both art and text and follows the journey of a freight train and all its cars until it rolls off the page and into the distance. It's a good way to learn all the different names of train cars, too. Red caboose at the back, orange tank car, green cattle car, purple box car, black tender and a black steam engine . . . freight train.
