**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Move On Up** Aaron Cohen,2019-09-25 A Chicago Tribune Book of 2019, Notable Chicago Reads A Booklist Top 10 Arts Book of 2019 A No Depression Top Music Book of 2019 Curtis Mayfield. The Chi-Lites. Chaka Khan. Chicago's place in the history of soul music is rock solid. But for Chicagoans, soul music in its heyday from the 1960s to the 1980s was more than just a series of hits: it was a marker and a source of black empowerment. In Move On Up, Aaron Cohen tells the remarkable story of the explosion of soul music in Chicago. Together, soul music and black-owned businesses thrived. Record producers and song-writers broadcast optimism for black America's future through their sophisticated, jazz-inspired productions for the Dells and many others. Curtis Mayfield boldly sang of uplift with unmistakable grooves like "We're a Winner" and "I Plan to Stay a Believer." Musicians like Phil Cohran and the Pharaohs used their music to voice Afrocentric philosophies that challenged racism and segregation, while Maurice White of Earth, Wind, and Fire and Chaka Khan created music that inspired black consciousness. Soul music also accompanied the rise of African American advertisers and the campaign of Chicago's first black mayor, Harold Washington, in 1983. This empowerment was set in stark relief by the social unrest roiling in Chicago and across the nation: as Chicago's homegrown record labels produced rising stars singing songs of progress and freedom, Chicago's black middle class faced limited economic opportunities and deep-seated segregation, all against a backdrop of nationwide deindustrialization. Drawing on more than one hundred interviews and a music critic's passion for the unmistakable Chicago soul sound, Cohen shows us how soul music became the voice of inspiration and change for a city in turmoil.

**Dracula in Visual Media** John Edgar Browning, Caroline Joan (Kay)

Picart, 2014-01-10 This is a comprehensive sourcebook on the world's most famous vampire, with more than 700 citations of domestic and international Dracula films, television programs, documentaries, adult features, animated works, and video games, as well as nearly a thousand comic books and stage adaptations. While they vary in length, significance, quality, genre, moral character, country, and format, each of the cited works adopts some form of Bram Stoker's original creation, and Dracula himself, or a recognizable vampiric semblance of Dracula, appears in each. The book includes contributions from Dacre Stoker, David J. Skal, Laura Helen Marks, Dodd Alley, Mitch Frye, Ian Holt, Robert Eighteen-Bisang, and J. Gordon Melton.

*The Pentagon Wars* James G Burton, 2014-02-15 From the late 1960s through the mid-1980s, a small band of military activists waged war against corruption in the Pentagon, challenging a system they believed squandered the public's money and trust. The book examines the movement and its proponents and describes how the system responded to the criticisms and efforts to change accepted practices and entrenched ways of thinking. The author, an air force colonel and part of the movement, worked in the pentagon for fourteen years. He presents a view of the Department of Defense that only an insider could offer. He exposes serious flaws in the military policy-making process, particularly in weapons development and procurement. The details he gives on the unrelenting push for high-tech weapons, despite their ineffectiveness and

extraordinary cost-overruns, provide a strong case for the charge of ethical bankruptcy. The second half of the book deals with the author's attempts to get frontline equipment tested under combat conditions. For the first time, readers learn the nasty details of his battle with the army over line-fire testing of the Bradley Fighting Vehicle—a battle that he eventually won, leading to the personnel carrier's redesign and the saving of many lives. Never reluctant to name names and reveal details, James G. Burton presents a forceful case. And his revelations offer insights not found elsewhere into the motivations and actions of the people who wield power from within. Nor does he stop at the walls of the Pentagon. In his epilogue he tells what happened in the field during the final hours of the Gulf War that allowed Hussein's elite Republican Guard to escape. Now back in print after having inspired a feature HBO film, this explosive account of insider corruption is sure to serve policy-makers for generations to come.

**Miles, Ornette, Cecil** Howard Mandel, 2010-04-26 Miles Davis, Ornette Coleman, and Cecil Taylor revolutionized music from the end of the twentieth century into the twenty-first, expanding on jazz traditions with distinctly new concepts of composition, improvisation, instrumentation, and performance. They remain figures of controversy due to their border-crossing processes. **Miles, Ornette, Cecil** is the first book to connect these three icons of the avant-garde, examining why they are lionized by some critics and reviled by others, while influencing musicians across such divides as genre, geography, and racial and ethnic backgrounds. Mandel offers fresh insights into their careers from interviews with all three artists and many of their significant collaborators, as well as a thorough overview of earlier interpretations of their work.

**The Holiday Train Show** New York Botanical Garden, 2016 The New York Botanical Garden is the setting of one of the city's most celebrated winter traditions: The Holiday Train Show. This exhibition features dozens of locomotives, freight trains, and trolleys zipping through a whimsical landscape populated by more than 150 models of beloved city landmark, composed entirely of leaves, twigs, seeds, pinecones, and other plant parts. Together with his team at Applied Imagination, Paul Busse and the horticulturists at The New York Botanical Garden create this tribute to the beauty of New York's iconic architecture. Behind-the-scenes photographs reveal the process of bringing the exhibition to life, and detailed views of each building reveal the artistry and ingenuity that goes into each architectural element. Essays explore the engineering of the tracks and bridges as well as notable featured trains--

That Winter Pamela Gillilan, 1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

#Housing2030: Effective Policies for Affordable Housing in the UNECE Region

United Nations,2021-12-09 The study explores housing affordability challenges and existing policy instruments for improving housing affordability in the regions covered by UNECE and presents examples of good practices in improving housing affordability among countries and cities. The study focuses on four topics, namely: housing governance and regulation; access to finance and funding; access and availability of land for housing construction; and Climate-neutral housing construction and renovation.

**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Shaker Bridal Nathaniel Hawthorne,2014-06-30 The Shaker Bridal is a short story by Nathaniel Hawthorne (born Nathaniel Hathorne; July 4, 1804 - May 19, 1864) was an American novelist and short story writer. He was born in 1804 in Salem, Massachusetts to Nathaniel Hathorne and the former Elizabeth Clarke Manning. His ancestors include John Hathorne, the only judge involved in the Salem witch trials who never repented of his actions. Nathaniel later added a w to make his name Hawthorne in order to hide this relation. He entered Bowdoin College in 1821, was elected to Phi Beta Kappa in 1824, and graduated in 1825. Hawthorne published his first work, a novel titled Fanshawe, in 1828; he later tried to suppress it, feeling it was not equal to the standard of his later work. He published several short stories in various periodicals which he collected in 1837 as Twice-Told Tales. The next year, he became engaged to Sophia Peabody. He worked at a Custom House and joined Brook Farm, a transcendentalist community, before marrying Peabody in 1842. The couple moved to The Old Manse in Concord, Massachusetts, later moving to Salem, the Berkshires, then to The Wayside in Concord. The Scarlet Letter was published in 1850, followed by a succession of other novels. A political appointment took Hawthorne and family to Europe before their return to The Wayside in 1860. Hawthorne died on May 19, 1864, and was survived by his wife and their three children. Much of Hawthorne's writing centers on New England, many works featuring moral allegories with a Puritan inspiration. His fiction works are considered part of the Romantic movement and, more specifically, Dark romanticism. His themes often center on the inherent evil and sin of humanity, and his works often have moral messages and deep psychological complexity. His published works include novels, short stories, and a biography of his friend Franklin Pierce. Hawthorne's works belong to romanticism or, more specifically, dark romanticism, cautionary tales that suggest that guilt, sin, and evil are the most inherent natural qualities of humanity. Many of his works are inspired by Puritan New England, combining historical romance loaded with symbolism and deep psychological themes,

bordering on surrealism. His depictions of the past are a version of historical fiction used only as a vehicle to express common themes of ancestral sin, guilt and retribution. His later writings also reflect his negative view of the Transcendentalism movement.
