More Than Peach (Bellen Woodard Original Picture Book) Bellen Woodard,2022-07-26 Penned by the very first Crayon Activist, Bellen Woodard, this picture book will tug at readers' heartstrings and inspire them to make a difference! When Bellen Woodard's classmates referred to the "skin-color" crayon, in a school and classroom she had always loved, she knew just how important it was that everyone understood that "skin can be any number of beautiful colors." This stunning picture book spreads Bellen's message of inclusivity, empowerment, and the importance of inspiring the next generation of leaders. Bellen created the More Than Peach Project and crayons with every single kid in mind to transform the crayon industry and grow the way we see our world. And Bellen has done just that! This moving book includes back matter about becoming a leader and improving your community just like Bellen. Her wisdom and self-confidence are sure to encourage any young reader looking to use their voice to make even great spaces better!

The Challenge Alan Drake,2023-12-28 God invites you to cast your cares on Him, because He cares for you (1 Peter 5:7). It is natural to seek first to meet our own needs and the needs of our family members, but God invites us to make an exchange. He invites us to cast our concerns on Him, and He promises to care for us better than we could take care of ourselves. In exchange, He desires for us to take on His concerns, His priorities, and seek His Kingdom first.

Teaching Percussion Gary Cook,1997 Designed as a core text for college level courses in percussion methods and pedagogy, Teaching Percussion is a comprehensive, up-to-date introduction to teaching methodology and performance techniques. Now updated, Teaching Percussion helps students and performers develop musical understanding and performance skills on some fifty percussion instruments. The Second Edition includes coverage of new developments in world music instruments and performance. In addition, Norman Weinberg, cofounder of the PAS World Percussion Network, has contributed a discussion of electronic percussion and new technology. The outstanding exercises, musical examples, photographs, illustrations, practical advice, and bibliographies - popular features in the first edition - have been retained and enhanced. Teaching Percussion, Second Edition, is an invaluable resource for students, faculty, and performers alike.
