*Killer Clown* Terry Sullivan, Peter T. Maiken, 2023-06-27 Updated with the latest DNA findings and a new foreword by Gregg Olsen! The definitive book on John Wayne Gacy, written by the prosecutor who spearheaded the investigation, arrest, and conviction of one of America's most horrific killers--now in trade paperback for the first time and with a new foreword by #1 New York Times bestselling author Gregg Olsen. The Real Story Of John Wayne Gacy-- By The Man Who Helped Catch Him He was a model citizen. A hospital volunteer. And one of the most sadistic serial killers of all time. But few people could see the cruel monster beneath the colorful clown makeup that John Gacy wore to entertain children in his Chicago suburb. Few could imagine what lay buried beneath his house of horrors--until a teenaged boy disappeared before Christmas in 1978, leading prosecutor Terry Sullivan on the greatest manhunt of his career. Reconstructing the investigation--from records of violence in Gacy's past and DNA evidence confirming the identities of additional victims, to the gruesome discovery of 29 corpses of abused boys in Gacy's crawspace and four others found in the nearby river--Sullivan's shocking eyewitness account takes you where few true crime books ever go: inside the heart of a serial murder investigation and trial. This updated edition features new revelations, a foreword from bestselling author Gregg Olsen, and 16 pages of dramatic photos.

The Search for the Green River Killer Carlton Smith, Tomás Guillén, 2017-07-04 New York Times Bestseller: From the journalists who covered the story, the shocking crimes of Gary Ridgway, America's most prolific serial murderer. In the 1980s and 1990s, forty-nine women in the Seattle area were brutally murdered, their bodies dumped along the Green River and Pacific Highway South in Washington State. Despite an exhaustive investigation—even serial killer Ted Bundy was consulted to assist with psychological profiling—the sadistic killer continued to elude authorities for nearly twenty years. Then, in 2001, after mounting suspicion and with DNA evidence finally in hand, King County

police charged a fifty-two-year-old truck painter, Gary Ridgway, with the murders. His confession and the horrific details of his crimes only added fuel to the notoriety of the Green River Killer. Journalists Carlton Smith and Tomas Guillen covered the murders for the Seattle Times from day one, receiving a Pulitzer Prize nomination for their work. They wrote the first edition of this book before the police had their man. Revised after Ridgway's conviction and featuring chilling photographs from the case, *The Search for the Green River Killer* is the ultimate authoritative account of the Pacific Northwest killing spree that held a nation spellbound—and continues to horrify and fascinate, spawning dramatizations and documentaries of a demented killer who seemed unstoppable for decades.
