Kumba Africa Sampson Ejike Odum, 2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.

Truth Is a Woman Loren Jakobov, 2017-09-12 *Truth Is A Woman* is a poetry collection by Loren Jakobov written in response to her friend's tragic death in 2015 as a victim of rape and murder. The poems discuss the World from the eyes of a woman, the pain and the beauty that lies therein.

On the Viewing Platform Katie Trumpener, Tim Barringer, 2020-11-17 A wide-ranging study of the painted panorama's influence on art, photography, and film This ambitious volume presents a multifaceted account of the legacy of the circular painted panorama and its far-reaching influence on art, photography, film, and architecture. From its 18th-century origins, the panorama quickly became a global mass-cultural phenomenon, often linked to an imperial worldview. Yet it also transformed modes of viewing and exerted a lasting, visible impact on filmmaking techniques, museum displays, and contemporary installation art. *On the Viewing Platform* offers close readings of works ranging from proto-panoramic Renaissance cityscapes and 19th-century paintings and photographs to experimental films and a wide array of contemporary art. Extensively researched and spectacularly illustrated, this volume proposes an expansive new framework for understanding the histories of art, film, and spectatorship.
