Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Ghostwritten David Mitchell, 2007-12-18 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* A gallery attendant at the Hermitage. A young jazz buff in Tokyo. A crooked British lawyer in Hong Kong. A disc jockey in Manhattan. A physicist in Ireland. An elderly woman

running a tea shack in rural China. A cult-controlled terrorist in Okinawa. A musician in London. A transmigrating spirit in Mongolia. What is the common thread of coincidence or destiny that connects the lives of these nine souls in nine far-flung countries, stretching across the globe from east to west? What pattern do their linked fates form through time and space? A writer of pyrotechnic virtuosity and profound compassion, a mind to which nothing human is alien, David Mitchell spins genres, cultures, and ideas like gossamer threads around and through these nine linked stories. Many forces bind these lives, but at root all involve the same universal longing for connection and transcendence, an axis of commonality that leads in two directions—to creation and to destruction. In the end, as lives converge with a fearful symmetry, *Ghostwritten* comes full circle, to a point at which a familiar idea—that whether the planet is vast or small is merely a matter of perspective—strikes home with the force of a new revelation. It marks the debut of a writer of astonishing gifts.

The Secret History of the World and How to Get Out Alive Laura Knight-Jadczyk, 2005 Previously published as *Ancient Science, Secret History* contains 150 pages of new material. *The Secret History of The World and How To Get Out Alive* is the definitive book of the real answers where Truth is more fantastic than fiction. Laura Knight-Jadczyk, wife of internationally known theoretical physicist, Arkadiusz Jadczyk, an expert in hyperdimensional physics, draws on science and mysticism to pierce the veil of reality. With sparkling humour and wisdom, she picks up where Fulcanelli left off, sharing over thirty years of research to reveal, for the first time, The Great Work and the esoteric Science of the Ancients in terms accessible to scholar and layperson alike. Conspiracies have existed since the time of Cain and Abel. Facts of history have been altered to support the illusion. The question today is whether a sufficient number of people will see through the deceptions, thus creating a counter-force for positive change - the gold of humanity - during the upcoming times of Macro-Cosmic Quantum Shift. Laura argues convincingly, based on the revelations of the deepest of esoteric secrets, that the present is a time of potential transition, an extraordinary opportunity for individual and collective renewal: a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science, art and spirituality. *The Secret History of the World* allows us to redefine our interpretation of the universe, history, and culture and to thereby navigate a path through this darkness. In this way, Laura Knight-Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms. With over 800 pages of fascinating reading, *The Secret History of The World and How to Get Out Alive* is rapidly being acknowledged as a classic with profound implications for the destiny of the human race. With

painstakingly researched facts and figures, the author overturns long-held conventional ideas on religion, philosophy, Grail legends, science, and alchemy, presenting a cohesive narrative pointing to the existence of an ancient techno-spirituality of the Golden Age which included a mastery of space and time: the Holy Grail, the Philosopher's Stone, the True Process of Ascension. Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations - a culture so advanced that none of the trappings of civilization as we know it were needed, explaining why there is no 'evidence' of civilization as we know it left to testify to its existence. The author's consummate synthesis reveals the Message in a Bottle reserved for humanity, including the Cosmology and Mysticism of mankind Before the Fall when, as the ancient texts tell us, man walked and talked with the gods. Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind - or at least a portion of mankind - has the opportunity to regain his standing as The Child of the King in the Golden Age. If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world, then surely *The Secret History of the World and How to Get Out Alive* is it.
