A Different Home Kelly DeGarmo,John DeGarmo,2014-01-21 A sensitive picture book to help ease the anxieties of foster children aged 4 to 10 entering placement. In *A Different Home*, Jessie tells us her story of being placed in foster care. At first she is worried and has lots of questions. The new home is not like her old home -- she has a different bedroom, different clothes, and there's different food for breakfast. She also misses her family. When Jim and Debbie, her foster parents, answer her questions she begins to feel better and see that this different home is kind of nice. Written in simple language and fully illustrated in color, this storybook is designed to help

children in care, or moving into care, to settle in and answer some of the questions they may have. Accompanied by notes for adults on how to use the story with children, it will be a useful book for foster parents and caseworkers, as well as social workers, teachers and anyone else working with children in foster care.

Spacehawk Basil Wolverton, 2012-12-07 The complete collection of Wolverton's legendary costumed crusader. Basil Wolverton is one of the greatest, most idiosyncratic talents in comic book history. Though he is best known for his humorous grotesqueries in MAD magazine, it is his science-fiction character Spacehawk that Wolverton fans have most often demanded be collected. The wait is over, as The Complete Spacehawk features every story from Spacehawk's intergalactic debut in 1940 to his final, Nazi-crushing adventure in 1942. Spacehawk is the closest thing to a colorfully-costumed, conventional action hero Wolverton ever created, yet the strip is infused with Wolverton's quintessential weirdness: controlled, organic artwork of strangely repulsive aliens and monsters and bizarre planets, and stories of gruesome retribution that bring to mind Wolverton's peer, Fletcher Hanks. Spacehawk had no secret identity, no fixed base of operations beyond his spaceship, and no sidekicks or love interests. He had but one mission in life: to protect the innocent throughout the Solar System, and to punish the guilty. He was a dark – yet much more visually playful – counterpart to Buck Rogers and Flash Gordon.

The Empty Mirror Janwillem van de Wetering, 1999-04-15 Seen by many as a

contemporary classic, Janwillem van de Wetering's small and admirable memoir records the experiences of a young Dutch student—later a widely celebrated mystery writer—who spent a year and a half as a novice monk in a Japanese Zen Buddhist monastery. As Chogyam Trungpa Rinpoche, author of *Cutting Through Spiritual Materialism*, has written, *The Empty Mirror* should be very encouraging for other Western seekers. It is the first book in a trilogy that continues with *A Glimpse of Nothingness* and *Afterzen*.

Saints Around the World Meg Hunter-Kilmer, 2021-08-16 The lives of the Saints are one of the most powerful ways God draws people to himself, showing us the love and the joy we can find in him. But so often, these Saints seem distant—impossibly holy or dull or unlike us in race and age and state in life. In *Saints Around the World*, you'll meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus. Each story in this book

is written not only to capture the imagination but also to speak about God's tremendous love and our call to be saints. There are stories in *Saints Around the World* for when you feel like life isn't fair, when people are being unkind to you, when you've made a terrible mistake, when you're struggling at school, when prayer is hard. And there are stories of shouting down Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared Saints, brilliant Saints, weak Saints, adventurous Saints, abused Saints, overjoyed Saints, disabled Saints—and the point of every one of them is the love of God. Whether you're checking the map to find Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles, you'll find countless stories in this book that remind you how very possible holiness is.
