Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian

campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Bartender's Pride: Book 1 in the Pride Trilogy TJ

Dallas,2019-10-23 This *erotica follows Lara as she moves to a new city & comes to terms with her desire for another woman; a seductive bartender with a supernatural secret. Semi-finalist for the BBNYA (Book Bloggers Novel of the Year Award) 2020 Lara's world is turned upside down when her boyfriend cheats on her with her best friend and she's forced to move to a new city. Desperate for money, she lands a job in an LGBT nightclub, but her racing heart and inappropriate thoughts about the club's owner, Harry, must have everything to do with the stress she's under. She's not gay. There's something about Harry. She's stunning, cocky, and looks far too good in a shirt and tie, ignoring the fact she's telepathic and can read Lara's emotions like a book. Harry is one of seven managers at the Cardinal, and she has a set of skills that can help Lara, but she has to manage her own feelings about three of the other managers in the meantime-Lust, Gluttony, and Envy. When things go downhill for Lara, can Harry ultimately make her proud of who she is without admitting their deadly secret?

Or will Lara's shame, depression, and her homophobic parents, lead her down a path of destruction? *18+, mature and sexually explicit content, 1 x brief M/F scene, depression/attempted suicide.

String Divers Chris Ryall, 2016-03-22 Originally published as String Divers issues #1-5--Colophon.

The Sixth Station Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.
