Big 'n' Little Sister Paper Dolls, 2010-12-01 Back in 1951 when this paper doll book was originally published, big and little sisters liked to dress alike. The fashions of that time were always age appropriate and that meant sweetly pretty styles that were worn by both teens and little girls. This charming book, beautifully painted with fashionable flair, turns back the clock to a fashion time long before Madonna and rocker chicks influenced style. There are two big sister dolls and their two adorable little sisters. Eight pages are filled with pretty party dresses, cute cowgirl outfits, classic classroom clothes, perky playwear and more. And of course, every outfit comes in two sizes so that big sister and little sister can dress exactly alike, all around the clock. This reproduction vintage book is a real collector's item and a rosy reminder of how times and fashion have changed in four decades.

L. Delaney's All Dolled Up Lauren Delaney George, 2017-02-15 Learn how to make your own miniature paper doll fashions with this charming guide, which weaves together the tale of two spirited sisters and their dazzling wardrobe of vintage fashions. Costume designer Lauren George offers playful interpretations of authentic historical dress in her story of Reo and Lucille, who abandon their conventional lives in 1880s Detroit to join the circus — the first in a series of daring adventures. Each step of the detailed instructions is accompanied by a color photo that shows you how to create fabulous costumes for the pair as they travel across the country, working as entertainers aboard a Mississippi riverboat, celebrating Mardi Gras in New Orleans, performing with a Wild West show as well as at a New York City amusement park, exploring the Antarctic, joining a crew of stunt aviators, and ultimately returning to Detroit to help Harry Houdini expose fake spiritualists. You don't need specialized skills for these projects — they are simple enough for beginners but sophisticated enough to intrigue experienced crafters. Each how-to section begins with a brief introduction that places the costumes in historical context and includes a materials list, photographic guide, and ideas for further research. You'll learn how to create workable templates, prepare pattern pieces, and embellish the dainty outfits with shoes, handbags, gloves, hats, and jewelry. Materials, consisting mostly of cut paper and flourishes of beads, lace, and ribbon, are inexpensive and easy to find. You'll find everything you need

to join the sisters on their adventures — or invent your own! Plenty of helpful suggestions include tips for cultivating your own style and adapting the techniques you've learned to create original designs.
