**Paper Automata** Rob Ives,1998-01-07 Patterns and instructions for creating four models.

**Papertoy Monsters** Brian Castleforte,2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

early release from prison. But his freedom will be short lived... Scrapbook shop owner Carmela Bertrand and her best friend, Ava, are off to a party. Prominent socialite Margo Leland is throwing an extravagant fete to welcome home her husband, Jerry Earl. There's a zydeco band, champagne ice luge, and waiters in ties and tails. But in the midst of the revelry, Jerry Earl is murdered—then stuffed inside a clothes dryer. When the grieving widow turns to her for help, Carmela can't say no. But Jerry Earl took a lot of people to the cleaners with his underhanded business tactics, so Carmela's going to be hard-pressed to identify which of his enemies was steamed enough to kill him. As she sorts through Jerry Earl's dirty laundry, she needs to collar the killer before another victim is set to tumble dry... Scrapbooking Tips and Recipes Included!

**Yellow & Pink** William Steig, 2013-07-30 *Yellow & Pink* is a witty picture book by William Steig, the creator of *Shrek*. On a fine day, a thin, yellow puppet and a round, pink puppet sit in the sun. They wonder where they came from. Were they an accident of nature, created by a series of possible but improbable events? Did someone create them? They discuss their theories, and think they may have an answer. But just as they settle on a solution, a man arrives who raises new questions. Praise for *Yellow & Pink*: One marvels at the expressiveness, the nearness to animation, of Steig's vibrant drawings. -The Washington Post Book World A comic fable that has more clout than the most fervent homily. - Publishers Weekly Illustrated with simple three-color drawings, this is a book that will delight adults as well as children and lead to some very interesting discussions! -Children's Literature

Do you enjoy lists of magical items, fantastical weapons, dubious potions and fascinating books? Do you tire of your players asking difficult questions, like 'what is in the dead guy's pocket?' or 'what is on this tavern's menu?' or other such wearisome inquiries concerning details you had no time to prepare for? Well, then this is the book for you. Table Fables is filled over eighty illustrated pages of lists and generators designed to be useful to game masters, young and wizened alike.

*If Anything Happens I Love You* Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

**Achtung-Panzer!** Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**How to Make Adorable Baby Animal Dolls** Jonni Good, 2013-06 In this book the author shows you exactly how to make your own adorable baby animal collector's dolls, leading you through the entire process every step of the way. Your dolls won't cost much to make, and every doll will be an original, one-of-a-kind work of art. Since no two dolls ever come out exactly alike, each doll will have it's own personality and character. You won't have to learn how to make molds for the doll heads,

because each one is hand-sculpted over a simple armature. You don't need a kiln, because you'll be using home-made air-dry clay instead of porcelain. The resulting heads are seamless, hollow, and surprisingly strong. The bodies and ears are made out of soft, huggable cotton velour, and the toes are sculpted with a few easy stitches. Adorable!
