Aunyarat Watanabe,Nate Padavick

*Cook Korean!* Robin Ha, 2016-07-05 New York Times bestseller • A charming introduction to the basics of Korean cooking in graphic novel form, with 64 recipes, ingredient profiles, and more, presented through light-hearted comics. Fun to look at and easy to use, this unique combination of cookbook and graphic novel is the ideal introduction to cooking Korean cuisine at home. Robin Ha's colorful and humorous one-to three-page comics fully illustrate the steps and ingredients needed to bring more than sixty traditional (and some not-so-traditional) dishes to life. In these playful but exact recipes, you'll learn how to create everything from easy kimchi (mak kimchi) and soy garlic beef over rice (bulgogi dubpap) to seaweed rice rolls (gimbap) and beyond. Friendly and inviting, *Cook Korean!* is perfect for beginners and seasoned cooks alike. Each chapter includes personal anecdotes and cultural insights from Ha, providing an intimate entry point for those looking to try their hand at this cuisine.

*They Draw and Cook* Nate Padavick, Salli Swindell, 2011-10-04 Endlessly entertaining and engaging, *They Draw & Cook*, with more than 100 hand-illustrated recipes, presents a unique and artful cooking adventure for all ages. After starting their blog in February of 2010, Nate and Salli received hundreds of illustrated recipes from artists all over the world, which they decided to turn into a book. This book contains a sample of 107 of those illustrations that range in style from cute to goofy to absolutely gorgeous. The illustration styles range from elegant to cheeky, the recipes from drinks to desserts and everyday to extraordinary. You'll find hilarious fare like Beetrooty-Yogurty-Thingummyji, Starving Artist Goo-lash, and Top Model Salad; international cuisine such as Moroccan Orange & Date Salad and Moules Frites; and tantalizing tastes like Marmalade Flapjacks and Chicken in Love. The perfect combination of flair and folly, this irresistible and colorful book will be a new favorite both in and out of the kitchen. Sample recipes: Toad in the Hole Marmalade Flapjacks Top Model Salad Starving Artist Goo-lash Chicken in Love Beetrooty-Yogurty-Thingummyjig Chocolate Haystacks Turn that Frown Upside Down Cake Coooooooookies

*Prison Ramen* Clifton Collins, Gustavo "Goose" Alvarez, 2015-11-03 A unique and edgy cookbook, *Prison Ramen* takes readers behind bars with more than 65 ramen recipes and stories of prison life from the inmate/cooks who devised them, including celebrities like Slash from Guns n' Roses and the actor Shia LaBeouf. Instant ramen is a ubiquitous food, beloved by anyone looking for a cheap, tasty bite—including prisoners, who buy it at the commissary and use it as the building block for all sorts of meals. Think of this as a unique cookbook of ramen hacks. Here's Ramen Goulash. Black Bean

Ramen. Onion Tortilla Ramen Soup. The Jailhouse Hole Burrito. Orange Porkies—chili ramen plus white rice plus ½ bag of pork skins plus orange-flavored punch. Ramen Nuggets. Slash's J-Walking Ramen (with scallions, Sriracha hot sauce, and minced pork). Coauthors Gustavo "Goose" Alvarez and Clifton Collins Jr. are childhood friends—one an ex-con, now free and living in Mexico, and the other a highly successful Hollywood character actor who's enlisted friends and celebrities to contribute their recipes and stories. Forget flowery writing about precious, organic ingredients—these stories are a first-person, firsthand look inside prison life, a scared-straight reality to complement the offbeat recipes.

*They Draw and Travel* Nate Padavick, 2015-11-26 In 2011, the brother-and-sister design duo Nate Padavick and Salli Swindell founded the website They Draw & Travel. Today it is the largest collection of online illustrated maps created by artists, illustrators and doodlers from around the world. This book is a selection of 100 illustrations of places in the United States envisioned by the artists who contribute to the vast and diverse creative community on They Draw & Travel. Including personal, practical and idiosyncratic perspectives on cities and towns—large and small—around the United States, the illustrated maps in this collection guide readers to the overlooked, forgotten and even underappreciated parts of American places, while celebrating the country's iconic cities. *100 Illustrated Maps of American Places* is a uniquely personal means for exploring and learning about cities through illustrated narratives by contributing artists. For example, do you know where to go for a really great urban hike in Brooklyn? Do you know there are over 36 places to eat cashew chicken in the town of Springfield, Missouri? Or, how about all the fun things to do with kids in Los Angeles? A fantastic bike route in Vermont? Hotspots in Anchorage, Alaska? Experienced on the road or in the chair, *100 Illustrated Maps of American Places* is an exciting way to get to know a place.

*The Seven Silly Eaters* Mary Ann Hoberman, 2000-08 Seven fussy eaters find a way to surprise their mother

*Siri Tari* Yusof Ghani, 1996 Works of the artist.

*Tomie dePaola's The Cloud Book* Tomie dePaola, 1975-01-01 You see, clouds are fun, silly, and very interesting. Tomie dePaola—best-selling author of *Strega Nona*, *Quiet*, and many others—knows a lot about clouds. He also knows a lot about what people think of them. Some people see animals and pictures in clouds. The ancient Greeks believed that Hermes, the messenger of the gods, once stole the sun's cattle, which were clouds. In this unique picture book, Tomie introduces some of the most common types of clouds, as well as the myths and legends inspired by their shapes. Simple, whimsical illustrations show the variations in shape and color that herald changes in the weather. This book will

tell you many things about clouds we bet you didn't know. Filled with his signature humor and gentle illustrations, Tomie dePaola's approach to nonfiction is like no other. A Reading Rainbow book.

*New World Baking* Dean Brettschneider,2011-07 *New World Baking* details all the baking-related influences from my time in Shanghai. Some of the recipes are classic and some offer refreshing new flavour combinations and turn cultural eating habits on their heads, but each one reflects my New World baking style.--Page 17.

**They Draw and Travel: 100 Illustrated Maps of Very Special Places** Nate Padavick,2020-02-13  
The maps in this book were submitted to They Draw & Travel as entries in a 2019 contest called Mapping Special Places. This contest, sponsored by Stroly Inc., challenged artists around the world to create a map of a place that is very special to them. While over 300 maps were submitted to this contest, 100 of them appear in this book. They represent a global sample of the various special places chosen by 100 different artists. Some chose to illustrate their home town, while others picked a favorite vacation spot. Some maps tell a story, others provide fun itineraries, a few share insightful histories, and they all beautifully celebrate a place that is indeed very special.
