Hearts and Mines Tanner Mirrlees, 2016-01-15 The US security state is everywhere in cultural products: in army-supported news stories, TV shows, and video games; in CIA-influenced blockbusters and comics; and in State Department ads, broadcasts, and websites. Hearts and Mines examines the rise and reach of the US Empire's culture industry – a nexus between the US's security state and media firms and the source of cultural products that promote American strategic interests around the world. Building on Herbert I. Schiller's classic study of US Empire and communications, Tanner Mirrlees interrogates the symbiotic geopolitical and economic relationships between the US state and media firms that drive the production of imperial culture.

Twelve Years a Slave Solomon Northup, 2013-01-04 Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is

kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Folklore in Motion Kenneth L. Untiedt, 2007 The adventurous spirit of Texans has led to much travel lore, from stories of how

ancestors first came to the state to reflections of how technology has affected the customs, language, and stories of life on the go. This Publication of the Texas Folklore Society features articles from beloved storytellers like John O. West, Kenneth W. Davis, and F. E. Abernethy as well as new voices like Janet Simonds. Chapters contain traditional Gone to Texas accounts and articles about people or methods of travel from days gone by. Others are dedicated to trains and cars and the lore associated with two-wheeled machines, machines that fly, and machines that scream across the land at dangerous speeds. The volume concludes with articles that consider how we fuel our machines and ourselves, and the rituals we engage in when we're on our way from here to there.

*The Spider King's Daughter* Chibundu Onuzo, 2012-03-13

Winner of a Betty Trask Award Shortlisted for the Dylan Thomas Prize and the Commonwealth Book Prize Longlisted for the Desmond Elliot Prize *The Spider King's Daughter* is a modern-day Romeo and Juliet set against the backdrop of a changing Lagos, a city torn between tradition and modernity, corruption and truth, love and family loyalty. Seventeen-year-old Abike Johnson is the favourite child of her wealthy father. She lives in a She lives in a sprawling mansion in Lagos, protected by armed guards and

ferried everywhere in a huge black jeep. But being her father's favourite comes with uncomfortable duties, and she is often lonely behind the high walls of her house. A world away from Abike's mansion, in the city's slums, lives a seventeen-year-old hawker struggling to make sense of the world. His family lost everything after his father's death and now he runs after cars on the roadside selling ice cream to support his mother and sister. When Abike buys ice cream from the hawker one day, they strike up an unlikely and tentative romance, defying the prejudices of Nigerian society. But as they grow closer, revelations from the past threaten their relationship and both Abike and the hawker must decide where their loyalties lie.

*Justice a Poem* ,1774

*Achtung-Panzer!* Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of

tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**The Bugatti Queen** Miranda Seymour,2015-04-09 Born in 1900 to a soon-to-be-widowed postmaster's wife in a small French village, Hélène Delangle's background offered no suggestion of the extraordinary life she was to lead. The first step was to leave the country behind and head to the city -- in this case, a Paris in the grip of an intoxicating 1920s blend of creativity and debauchery. She became a dancer, and then a stripper. But the demi-monde of gauze veils and admirers was not enough. A visit to the Actors' Championships, a uniquely French meeting of the theatrical world with the race-track, opened her eyes to the glamorous combination of machines and speed. Quickly establishing herself as a racer of uncommon talent and audacity, the beautiful woman now known as Hellé Nice -- Hellish Nice to her British fans -- then caught the attention of none other than Ettore Bugatti, founder of the marque with which her name will always be associated. And yet, despite the fame and the fortune she amassed in an unprecedented career, she died penniless and alone, an old woman in a crumbling Nice flat surrounded only by memories. **THE BUGATTI QUEEN** is the story of a great pioneer of motor racing who happened to be a woman. Re-creating her rollercoaster career with great verve and

panache, Miranda Seymour brilliantly shows us a life now forgotten -- and makes it unforgettable.

**Anima Beyond Fantasy** Carlos B. Garcia Aparicio,2008 Explore the world of Gaia, meet some of its most famous inhabitants, and be introduced to three unique, original, and exciting games each set beyond fantasy in the world of Anima! Conceived as a combination of Japanese and Western art, myth, and styles of play, Anima is a series of games that offer innovative rules and background that incorporate the most striking elements of both styles. Several great Japanese illustrators, whose work has appeared in well-known videogames and animated series, have collaborated on the project together with European authors. The result is a refreshing visual blend that will please even the most discriminating gamer.

The Sixth Station Linda Stasi,2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter

Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.

Moments of Grace Laurie Blefeld, 2018-04-18 Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure.-Gunilla Norris, author of *Sheltered in the Heart* and *Companions on the Way: A Little Book of Heart-full Practices*

Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. *Moments of Grace* is luminous, warm, comforting and filled with such good practices.- Dr. Joan Borysenko, from the Foreword
