**Kim** Rudyard Kipling,2023-07-15 Kim clicked round the self-registering turnstile; the old man followed and halted amazed. In the entrance-hall stood the larger figures of the Greco-Buddhist sculptures done, savants know how long since, by forgotten workmen whose hands were feeling, and not unskilfully, for the mysteriously transmitted Grecian touch. There were hundreds of pieces, friezes of figures in relief, fragments of statues and slabs crowded with figures that had encrusted the brick walls of the Buddhist stupas and viharas of the North Country and now, dug up and labelled, made the pride of the Museum. In open-mouthed wonder the lama turned to this and that, and finally checked in rapt attention before a large alto-relief representing a coronation or apotheosis of the Lord Buddha. The Master was represented seated on a lotus the petals of which were so deeply undercut as to show almost detached. Round Him was an adoring hierarchy of kings, elders, and old-time Buddhas. Below were lotus-covered waters with fishes and water-birds. Two butterfly-winged dewas held a wreath over His head; above them another pair supported an umbrella surmounted by the jewelled headdress of the Bodhisat...FROM THE BOOKS.

*Celestial Being* Noboru Kimura,Hajime Yodate,Yoshiyuki Tomino,2010 The novelization of the hit anime series! The year is

2307 A.D. Although fossil fuels have been depleted, humanity has obtained a new source of energy to replace them in the form of a large-scale solar power generation system based on three huge orbital elevators. However, the benefits of this system are available only to a handful of major powers and their allies. The three orbital elevators belong to three superpower blocs. These are the Union, led by the United States of America; the Human Reform League, led by China, Russia, and India; and the AEU, led by Europe. These superpower blocs continue to play a grand zero-sum game for the sake of their own prestige and prosperity. In this world of never-ending conflict, a private armed organization appears, dedicated to the elimination of war through armed force. Its name is Celestial Being, and it is in possession of Gundam mobile suits. With these Gundams, it begins armed intervention into all acts of war.

*Slow Sculpture* Theodore Sturgeon, 2013-04-23 Theodore Sturgeon was a model for his friend Kurt Vonnegut's legendary character Kilgore Trout, and his work was an acknowledged influence on important younger writers from Harlan Ellison and Robert Silverberg to Stephen King and Octavia Butler. His work has long been deeply appreciated for its sardonic sensibility, dazzling wordplay, conceptual brilliance, memorable characters, and unsparing treatment of social issues such as sex, war, and marginalized members of society. Sturgeon also authored several episodes of the original Star Trek TV series and originated the Vulcan phrase "Live long and prosper." This twelfth volume of North Atlantic's ambitious series reprinting his complete short stories includes classic works such as the award-winning title story, which won both the Hugo and Nebula Awards in 1971, as well as "Case and the Dreamer," a well-crafted tale of an encounter with a trans-spatial being that is also a meditation on love,

and “The [Widget], the [Wadget], and Boff,” a creative exploration of the human ability to achieve self-realization in response to crisis. The book includes a new Foreword, an illuminating section of Story Notes, and a comprehensive index for the entire series.

DEJA thought she could fear nothing more than the daily treatments she received during her imprisonment on the Concord. The horrible experiments which rack her body with unimaginable, searing pain. But she discovers the true meaning of terror as she clings to life pod's harness while plummeting toward the surface of an unknown planet. Struggling to outrun the beasts hunting her, fighting to outrun the light, Deja hastens for the only cover she can find -- between the feet of a giant stone statue. Only statues aren't supposed to move, or wrap you in their arms and carry you off INTO SHADOW... Welcome to Sonhadra. **Konflikt '47** Warlord Games, Clockwork Goblin, 2016-08-25 1944 Atomic testing at Los Alamos opens a rift in the fabric of space, while the detonation of the Fat Boy atomic bomb over Dresden creates a second. German and American scientists determine that signals are being transmitted through the rifts, many indecipherable, but some containing revolutionary scientific and technological theorems. Desperate for any military advantage, Germany and the US swiftly apply these discoveries to their war efforts, and incredible new weapons begin to appear on the battlefield. Angered by America's refusal to share the secrets of Rift-tech, Stalin declares war on the US and Britain, and the Allies are fractured. 1947 World War II has entered a completely new phase. Power-armoured infantry armed with personal wonder-weapons follow super-heavy tanks and

mechanised walkers into battle, smashing defences with colossal firepower, while genetic monstrosities are sent out to hunt and terrorise enemy forces. This is the new nature of war. This is Konflikt '47. \*\*\* With rules inspired by the award-winning Bolt Action system, this standalone game takes World War II to a completely new level, and offers everything required to harness the incredible weapons and technologies made possible by the rift signals, and to engage in tabletop battles for supremacy and survival.

**American Dior**, 2010 American Dior contains detailed drawings of the elaborate foundations, images of the New Look collection and more. With the introduction of the New look, Dior became American fashion's ultimate agent provocateur playing on the country's appetite for newness and for French savoir-faire. His collection revolutionized women's dress. His designs were more voluptuous with the use of fabrics lined with percale, bustier-style bodices, hip padding, wasp-waisted corsets and petticoats, giving his models a very curvaceous form. Dior used to say that his client would be the most elegant woman in the world, which proved to be true, dressing an A-list of American icons such as Lauren Bacall, Grace Kelly, Marilyn Monroe

and Elisabeth Taylor among them--Publisher's web site.
