Oyster War Ben Towle,2015-10-07 Ben Towle's critically acclaimed, Eisner-nominated comic finally comes to print! In the coastal town of Blood's Haven, the economy runs on oysters. Oyster farming is one of the most lucrative professions, but also the most dangerous. Not just from the unforgiving ocean and its watery depths—there are also oyster pirates to worry about! Commander Davidson Bulloch and his motley crew are tasked with capturing these ne'er-do-wells—but they don't know that Treacher Fink, the pirates' leader, possesses a magical artifact that can call forth a legendary spirit with the power to control the sea and everything in it!

Four-Fisted Tales Ben Towle,2021-08-18 In virtually every military conflict in recorded history animals have fought—and often died—alongside their human counterparts. While countless stories of the men and women who've served in the trenches, jungles, and deserts of the world's battlefields have been told, *Four-Fisted Tales: Animals in Combat* shares the stories of the animals who fought alongside them. From Hannibal's elephants in ancient Rome to mine-sniffing rats in Vietnam and everything in between, *Four-Fisted Tales* highlights the real-life contributions of these underappreciated animal warriors. Whether in active combat or simply as companions, these animals served and made their mark on history.

Olympus, Hestia relates the rise of Dionysos, from his birth to a mortal mother, to his discovery of wine, his battles with madness and his conquering of death itself, culminating, finally, in his ascent to Olympus and Godhood.

Don Bluth never felt like a Donald. So people have always called him Don. A matinee of Snow White and the Seven Dwarfs awakened something within him. Despite growing up in rural Texas and Utah, he practiced and worked hard to become an Hollywood animator. And after working alongside his idol Walt Disney, and on films including Sleeping Beauty, The Sword in the Stone, Robin Hood, Winne the Pooh, The Rescuers, and Pete's Dragon, he realized that the company had changed into something he didn't necessarily believe in. So made the industry-shocking decision to start his own animation studio. It was from that studio—Don's studio—that came such award-winning, generation-defining films as The Secret of NIMH, An American Tail, The Land Before Time, All Dogs Go to Heaven, Anastasia, and the video game Dragon's Lair. Now, after more than half a century in the movie business, Don is ready to tell the story of his life. How his passions for artistry, integrity, and his Mormon faith shaped him into the beloved icon whose creativity, entrepreneurship, and deeply-held beliefs entertained, enthralled, and inspired millions across the globe.
