Even those familiar with this award-winning system may not feel they've mastered the fundamentals . . . and those just starting with this game may feel lost amid the possibilities. You want help. You could use a guide. You need How to Be a GURPS GM. For the player, this supplement offers insight into how to create the perfect character to fit your vision, plus three examples of character creation and two new fantasy templates. The chapter dedicated to customizing combat and using various options can be particularly helpful for new and veteran players in making aggressive altercations even more exciting. For the Game Master, the supplement discusses everything needed to run a campaign: how to prepare the game setting, assist the players with the creation of their heroes, create challenging and engaging encounters, and design and run the first adventure. The

included overview of the Fourth Edition line, plus recommended resource lists for eight popular genres, can help the GM decide which supplements will be most helpful to craft a new campaign. This supplement also provides canonical insight from Sean Dr. Kromm Punch, who draws on decades of experience answering questions and providing clarifications as the GURPS Line Editor. Throughout, it follows a group of example players new to GURPS, from when their GM first opens the Basic Set through the starting session of their inaugural adventure. How to Be a GURPS GM is an invaluable aid for getting started with GURPS, bridging the previously perilous step between reading the Basic Set and participating in your first game. Half of power is knowing how to use it. With How to Be a GURPS GM, you'll be on your way to unleashing the full potential of GURPS like never before!

Sargatanas decides to attempt the impossible, to rebel, to win his way Home and bring with him anyone who chooses to follow...be they demon or soul. He will stake everything on fighting all the abominable forces of Hell arrayed against him, when the prize is nothing less than redemption. Sigil & Shadow R.E. Davis,2021-07-22 Set in a mirror of our own world, Sigil & Shadow is a roleplaying game of urban fantasy and occult horror in which players take on the roles of illuminated heroes and shadowed monsters to face the rising tide of supernatural forces. Ancient nightmares lurk behind the closed doors of board rooms, entities from beyond time prowl the city streets, forgotten rituals are reborn as viral memes. Do you take a stand against the encroaching shadows? Or do you seek their power for yourself? Powered by the highly accessible d00Lite system, Sigil & Shadow focuses squarely on the story rather than the mechanics – who the characters are and what they do, not how they do it. Easy to adopt to any mythos, campaigns can be built around a wide range of plots, with players taking the role of anything from paranormal investigators and monster hunters to members of occult cabals or secret societies. The setting offered sees a modern world buffeted by the tides of supernatural power, where beings of myth wake from their slumber while modern cults sacrifice to pop-culture gods and ancient cabals pursue their age-old schemes into the digital age.

The Sixth Station Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.
