It contains 24 hand drawn, single sided illustrations featuring Shiba Inu dogs in various settings. Each illustration is included in two sizes: one per page and two per page. The smaller size is ideal for testing out your colour schemes or to cut out and frame. There are lots of opportunities to practice your techniques colouring cute little dog and puppy faces. Similar to the Akita, the Shiba Inu is the smallest of the 6 Spitz dog breeds from Japan and is very loyal and devoted. Walt Disney's Cinderella (Re-Issue) Cynthia Rylant,2015-01-27 This is a story about darkness and light,

about sorrow and joy, about something lost and something found. This is a story about love. Cinderella's story has been told over and over, but never has it been touched by the kind of magic created by the contributors of this book. Mary Blair painted the original pictures for Walt Disney's incomparable animated film, and here her elegant art is gathered together as a picture book. Cynthia Rylant's stories about hardscrabble lives have won not only awards and honors, but hearts. Who better to take a young girl from the darkness of her garret room to the light and brilliance of a ballroom? Together these two great artists have created something quite astonishing: a Cinderella that is breathtaking, heartrending, and joyous, both for those who are coming to the tale for the very first time, and for those who think they know it well.

Cats in Origami Nick Robinson, 2019-04-17 In the origami world, cats were traditionally under-represented, and the few existing models were rather flat and lifeless. But thanks to modern folding techniques, it's possible to recapture the true charm of our feline companions. This book for origamists of all skill levels offers 20 original designs that range from a grinning Cheshire cat and a snoozing feline to a walking cat, a seated cat, a Halloween cat, and the smug cat that got the cream, as well as cats on an envelope, a bookmark, a greeting card, and other figures. Along with step-by-step directions and diagrams, each model features a full-color image of the finished cat. Projects are rated according to difficulty, and a brief introductory chapter explains folding techniques and suggestions for how to choose the most appropriate origami paper. These cute kitties, in addition to being fun to fold, make great little gifts for cat-fanciers.
