The Lorax Dr. Seuss,2013-09-24 Celebrate Earth Day with Dr. Seuss and the Lorax in this classic picture book

about protecting the environment! I am the Lorax. I speak for the trees. Dr. Seuss's beloved story teaches kids to speak up and stand up for those who can't. With a recycling-friendly "Go Green" message, The Lorax allows young readers to experience the beauty of the Truffula Trees and the danger of taking our earth for granted, all in a story that is timely, playful and hopeful. The book's final pages teach us that just one small seed, or one small child, can make a difference. Printed on recycled paper, this book is the perfect gift for Earth Day and for any child—or child at heart—who is interested in recycling, advocacy and the environment, or just loves nature and playing outside. Unless someone like you cares a whole awful lot, nothing is going to get better. It's not.

"Pretty much all the stuff you need to know is in Dr. Seuss." —President Barack Obama

Saturn's Children Charles Stross, 2008-07-01 Sometime in the twenty-third century, humanity went extinct, leaving only androids behind to fulfill humanity's dreams. And, having learned well from their long-dead masters, they've established a hierarchical society—one with humanoid aristo rulers at the top and slave-chipped workers at the bottom, performing the lowly tasks all androids were originally created to do. Designed as a concubine for a species that hasn't existed for two hundred years, femmebot Freya Nakamichi-47—one of the last of her kind still functioning—accepts a job from a stranger to deliver a package from mercury to Mars. Unfortunately, she's just made herself a moving target for some very powerful, very determined humanoids desperate to retrieve the package's contents...

I am Jackie Robinson Brad Meltzer, 2023-08-01 We can all be heroes is the message entertainingly told in this New York Times Bestselling picture-book biography series, with this title focusing on groundbreaking baseball player, Jackie Robinson (Cover may vary) Jackie Robinson always loved sports, especially baseball. But he lived at a time

before the Civil Rights Movement, when the rules weren't fair to African Americans. Even though Jackie was a great athlete, he wasn't allowed on the best teams just because of the color of his skin. Jackie knew that sports were best when everyone, of every color, played together. He became the first Black player in Major League Baseball, and his bravery changed American history and led the way to equality in all sports in America. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are:

- A timeline of key events in the hero's history
- Photos that bring the story more fully to life
- Comic-book-style illustrations that are irresistibly adorable
- Childhood moments that influenced the hero
- Facts that make great conversation-starters
- A virtue this person embodies: Jackie Robinson's bravery led him to make his mark in baseball history. You'll want to collect each book in this dynamic, informative series!
