Dancing with Max Emily Colson,2010-09-07 The true story of a single mother's love and perseverance, her son's autism diagnosis with its challenges and gifts, and their triumph together over life's toughest obstacles. Journey with Emily Colson--daughter of former White House Special Counsel Chuck Colson--as she takes you from her darkest days of pain to her adventure through life. With candor and wit, she shares about her personal battles and heartbreak when, as a suddenly single mother, she discovered that her only child has autism. Emily illuminates the page with vivid imagery--making you laugh, making you cry, and inspiring you to face your own challenges. This is the story that will inspire you to break free of the barriers that threaten to constrict your life, and Max is the young man who will capture--and even change--your heart. As you learn more about Max and his journey, you'll learn about: The incredible power of community Facing each day with grace and faith Turning your challenges into blessings In a special prologue and epilogue from Chuck Colson--his most personal writing since *Born Again*--he details how Max's resilient spirit unraveled his thinking and brought out his tender side as a grandfather. Along the

way, you'll discover that Max's disability does not so much define who he is, but reveals who we are. Dancing with Max is not a fairy tale with a magical ending. It's a real-life story of grace, second chances, and fresh starts in spite of life's hardest problems. And Max? Max will make you fall in love with life all over again, leaving you dancing with joy. Praise for Dancing with Max: Emily shares her moving story, of life's struggles but of its even greater victories, in her own words. This is a story of triumph, in spite of the suffering and pain. It is most of all a love story, and a story about changed lives--Emily's, Max's, and also mine. --Chuck Colson, former White House Special Counsel

Outside the Box! Joan Irvine,2013-06-18 If you've got a box, you've got it made! With step-by-step instructions and hundreds of illustrations, this book can help kids transform a cardboard box into easy-to-make playthings—and teach them firsthand about recycling. Start with the basics: a box and an imagination. Tissue boxes, cereal boxes, corrugated boxes, and cardboard boxes can all be put to good use. Then just follow directions for dozens of projects. The possibilities are endless! Thinking beyond the box, kids can make a puppet stage, sports car, propeller airplane, robot, tin man costume, moon suit, giant dragon, miniature golf game, musical box band, and much more. It all adds up to enjoying a fun day in an earth-friendly way—a creative, environmental lesson that kids will love!

Popular Mechanics ,1952-01 Popular Mechanics inspires, instructs and influences readers to help them master the modern world.
