Good Night, Little Bear ,2016-03-29 First a story, and then a kiss from Mother Bear, and Father Bear carries Little Bear to bed. And that's when the fun begins. Father Bear gets to Little Bear's room, but Little Bear is missing! Little readers will see him hiding in the MOST obvious place but Father Bear cannot seem to find him. Is he under the stove? Is he in the garden? Is he in the woodbox? Only when Father Bear walks past the mirror does the silliness end, and in a very tasty way. With this, one of the most charming bedtime tales ever, Richard Scarry has once again proven his timeless appeal.

Berlioz the Bear Jan Brett,2016-04-26 A Reading Rainbow Feature Title Zum, zum, buzz.... zum, zum, buzz... What's that strange buzz coming from the double bass? Berlioz has no time to investigate, because he and his bear orchestra are due at the gala ball in the village square at eight. But Berlioz is so worried about his buzzing bass that he steers the mule and his bandwagon full of magicians into a hole in the road and gets stuck. Time is running out, and if a rooster, a cat, a billy goat, a plow horse, and an ox can't rescue the bandwagon, who can? As the suspense mounts, intricate borders reveal the village animals making their way to the square one by one. When the clock chimes eight, the animals, ready to dance, have filled the square-but there's no sign of Berlioz. Jan Brett's glorious illustrations invite the eye to linger over exquisite details and humorous nuances that enhance the story. This delightful cumulative tale is one that will be looked at again and again.

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of

corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.
