L Reisser

The Lawson Sisters Janet Gover,2020-02-01 A heartfelt and compelling story of family, secrets and second chances, set in the heart of the beautiful Hunter Valley of NSW, from an award-winning new voice in Australian fiction. Family, fortune and holding on to what counts... For many years Elizabeth Lawson has battled single-handedly to run the family's historic horse stud in memory of her beloved father. But a devastating loss puts her dreams at risk. With no options left, Liz is forced to turn to her estranged sister Kayla for help. Kayla has built a new life in the city as a wedding planner, far removed from the stableyard sweat and dust of her rural upbringing. She never thought she'd go back. But when Liz calls out of the blue, Kayla forms a plan that could save their childhood home. Kayla's return forces Liz to confront her past ... and her future, in the shape of Mitch, her first and only love, who still watches over her from the other side of the creek. But Liz still hides a terrible secret. When Kayla learns the truth, will the Lawson sisters find common ground or will their conflict splinter the family once again? PRAISE FOR JANET GOVER: 'A stirring family drama, set to a spectacular rural stage ... The Lawson Sisters is an exceptional read from cover to cover.' - Mrs B's Book Reviews 'Easy to read and beautifully written - the characters came to life...' - Beauty and Lace 'With the scent of eucalyptus on the air, estranged sisters and a homestead echoing past regrets and missed chances, The Lawson Sisters has everything you want in an Aussie romance.' - Fiona Lowe, bestselling Australian author

Tile & Till ,1915

Haiti Ron Haviv,Simon Winchester,2010-06 A unique, arresting and versatile document of the traumatic earthquake which hit Haiti in 2010 and its aftermath. Encased in a cardboard box, the project comprises 16 unbound posters and a map page which draws attention to the epicentre and its rippling impact on the population of the island. The unique format allows the viewer to absorb each page individually or to hang the entire project. The visual testimony to the events of the the first days after the event are provided by award-winning photographer Ron Haviv and the essay by esteemed writer Simon Winchester.

the decade club ,

Stories from the Swinging 60s ,2016-12-09 Stories from the swinging 60s is a collection of stories from Western Australians who have recorded a snapshot of their lives from the 1960s.

Wisden Cricketers' Almanack 2020 Wisden,2020-04-28 *Large format edition* The most famous sports book in the world, Wisden Cricketers' Almanack has been published every year since 1864. Home to some of the finest sports writing of the year o from the likes of Lawrence Booth, Gideon Haigh, Rob Smyth, Patrick Collins, Simon Wilde, Osman Samiuddin, Tony Cozier, Benj Moorehead, Raf Nicholson and Dileep Premachandran o it includes the eagerly awaited Notes by the Editor, the Cricketers of the Year awards, and the famous obituaries. As always, it contains coverage of every first-class game in every cricket nation, and reports and scorecards for all Tests and ODIs, together with trenchant opinion, compelling features and comprehensive records. A perennial bestseller in the UK, yet again this year's edition o the 157th, Wisden 2020 o is truly a must-have for every cricket fan. There can't really be any doubt about the cricket book of the year, any year- it's obviously Wisden Andrew Baker in the Daily Telegraph @WisdenAlmanack

A Holiday Roundelay ,2013-09 Joyous noels resound in this bright, festive holiday celebration from gifted composer Victor Johnson. Contrasting legato sections add to the musical interest and help to spell success in this excellent programming choice for young and developing choirs.

Rigorous State-Based Methods Alexander Raschke,Dominique Méry,2021-05-22 This book constitutes the proceedings of the 8th International Conference on Rigorous State-Based Methods, ABZ 2021, which was planned to take place in Ulm, Germany, during June 6-11, 2021. The conference changed to an online format due to the COVID-19 pandemic. The 6 full and 8 short papers included in this volume were carefully reviewed and selected from 18 submissions. The proceedings also include 3 PhD symposium contributions. They deal with state-based and machine-based formal methods, mainly Abstract State Machines (ASM), Alloy, B, TLA+, VDM, and Z.

Average Is Over Tyler Cowen,2013-09-12 Renowned economist and author of Big Business Tyler

Cowen brings a groundbreaking analysis of capitalism, the job market, and the growing gap between the one percent and minimum wage workers in this follow-up to the New York Times bestseller *The Great Stagnation*. The United States continues to mint more millionaires and billionaires than any country ever. Yet, since the great recession, three quarters of the jobs created here pay only marginally more than minimum wage. Why is there growth only at the top and the bottom? Economist and bestselling author Tyler Cowen explains that high earners are taking ever more advantage of machine intelligence and achieving ever-better results. Meanwhile, nearly every business sector relies less and less on manual labor, and that means a steady, secure life somewhere in the middle—average—is over. In *Average is Over*, Cowen lays out how the new economy works and identifies what workers and entrepreneurs young and old must do to thrive in this radically new economic landscape.

Burnished Rows of Steel Jeremy Davies, 2016-01-05 Most who read the Declaration of Independence find three foundational liberties promised to our citizens: life, liberty, and the pursuit of happiness. An increasing number of citizens seem to be discovering the fourth: the right to alter or abolish a form of government that leads invariably to tyranny. Since leaving the military and his security contracting work behind, Dave has been preparing himself for the time when exercising the right to alter or abolish may become necessary. When he is approached on behalf of some powerful men who are prepared to risk their fortune to strike a blow against the political tyranny embodied by the president, Dave is prepared to accept the role of assassin. As he prepares to accept the mission of a lifetime, an alternate narrative begins to unfold. He struggles to discover whether the hit will be on behalf of a besieged gun maker or whether it has been orchestrated by members of the president's own party, who feel that his death would rescue the chances of their party heading into an election. As the motive becomes clear, so does Dave's course of action. He is caught in a race against time to thwart their plans, not for the leader of a country but for the life of a friend.

Blue Sky God Don MacGregor, 2012-07-27 *Blue Sky God* interprets some new scientific theories with blue sky thinking to bring radical insights into God, Jesus and humanity, drawing also on some deep wells from the past in the writings of the early Christians. In an accessible style, it looks at science research and theories in areas such as quantum physics and consciousness, epigenetics, morphic resonance and the zero point field. From there, seeing God as the compassionate consciousness at the ground of being, it draws together strands to do with unitive consciousness and the Wisdom way of the heart. Throughout, it seeks to encourage an evolution in understanding of the Christian message by reinterpreting much of the theological language and meaning that has become 'orthodoxy' in the West. In doing so, it challenges many of the standard assumptions of Western Christianity. It outlines a spiritual path that includes elements from all of the world's great religions, is not exclusive, and yet has a place of centrality for Jesus the Christ as a Wisdom teacher of the path of transformative love. ,

Bolt Action: Battleground Europe Warlord Games, 2014-11-18 Take the fight to the enemy with this new theatre book for Bolt Action. From the D-Day landings to the final battle for Berlin, this volume gives players everything they need to focus their gaming on these final campaigns in the ETO. Scenarios and special rules offer something for all Bolt Action players, regardless of the armies they collect.
