Lionel Tiger

**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Pursuit of Pleasure Lionel Tiger,2017-07-12 Pleasure is biologically desirable and good for physical and mental health. In The Pursuit of Pleasure, Lionel Tiger explores this aspect of human nature by focusing on the origins and forms of pleasure. Medical science has perfected a host of often astonishingly impressive methods for preventing, alleviating, or recovering from pain. Its opposite, pleasure, has not had such a well-funded and fully justified constituency. In fact, those committed to the understanding and pursuit of pleasure, are rarely accorded respect and a sense of significance. People have objected to the notion of pleasure for a variety of reasons. The most complex derive from religious convictions that the most morally admirable human life is marked by abstemiousness, suffering, even martyrdom. There is also a corresponding fear that people may pursue pleasure too avidly and with too strong a sense of entitlement, and the world's work will not get done. But just as there have been suspicions of the dangers of pleasure, there have also been its supporters who assert its vital and joyful centrality to human experience. The Pursuit of Pleasure favors an agnostic approach borrowed from natural science. In lively, witty, and eminently readable prose, Tiger identifies major forms of pleasure and explores their variations, now and in the past. Pleasure, says Tiger, is not a luxury but an evolutionary entitlement that deserves to be taken seriously. As we acknowledge our need for enjoyment, we understand the need to establish balance in our lives-our need for the pursuit of pleasure.

**Across an Angry Sea** Cedric Delves,2019-01-01 In early summer 1982--winter in the South Atlantic--Argentina's military junta invades the Falklands. Within days, a British Royal Navy Task Force is assembled and dispatched.

This is the story of D Squadron, 22 SAS, commanded by Cedric Delves. The relentless tempo of events defies belief. Raging seas, inhospitable glaciers, hurricane-force winds, helicopter crashes, raids behind enemy lines--the Squadron prevailed against them all, but the cost was high. Eight died and more were wounded or captured. Holding fast to their humanity, D Squadron's fighters were there at the start and end of the Falklands War, the first to raise a Union Jack over Government House in Stanley. Across an Angry Sea is a chronicle of daring, skill and steadfastness among a tight-knit band of brothers; of going awry, learning fast, fighting hard, and winning through.

**The Jaguar Story** Giles Chapman,2019-07-12 The history of Jaguar, a rousing British success story!

**Crashed and Byrned** Tommy Byrne,Mark Hughes,2010-05-06 A raw, passionate autobiography from the only driver Ayrton Senna feared.

**Beyond the Breakwater** Catherine Foley,2018 Beyond the Breakwater tells the story of Catherine Foley's transition from childhood into adulthood. She chronicles her family's journey from Waterford city to the Gaeltacht in 1970 and she monitors the shifting times of each successive decade, recalling individuals, relations, friends and communities she has known. Told in the first person, her stories are concerned with the passions, memories and experiences of a writer who is always mindful and mystified by the march of time. Although her stories are always shaped and honed by the salty landscape of the Ring Peninsula, she also describes times when she was away from home, either travelling or living in Cork, Tipperary and Dublin. This is a story concerned with the complexities, mysteries and longings of the heart and the mind. They celebrate a passionate engagement with the natural world and recount a history that spans the generations, describing how the march of time continues to mark individuals and communities.

**The Vanishing Litres** Rex Hays,1957

**Tree Shaker** Bill Keller,2008 Without deifying its subject, this biography looks at the life of Nelson Mandela, placing his awe-inspiring political accomplishments into historical context for young readers.

**Estimating Market Value and Establishing Market Rent at Small Airports** Aviation Management Consulting Group,

Inc,Aeroplex Group Partners,Decker Associates,DKMG Consulting,Hangar Network,2020 Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development.--Foreword.
