Feminist Cross-Stitch Stephanie Rohr, 2019-02-05 Make a statement—and smash the patriarchy, one stitch at a time—with these forty feminist-themed cross-stitching patterns! Crafty activists will love this snarky book with its forty irreverent, vintage-inspired cross-stitch patterns. Whether you want to proudly announce to the world that you're a nasty woman or remind others that a woman's place is in the revolution, you'll find edgy slogans, sharp one-liners, and cheeky images that make fabulous wall art or wonderful handmade gifts. An illustrated basics section will get you started, with information on materials, tools, techniques, and framing your finished pieces. "[Rohr] truly understands the therapeutic value of reclaiming what was once traditional 'women's work' as a modern, empowering medium. Her designs are spot-on and well executed with clear, encouraging instructions. There are very few people who really 'get' subversive cross-stitch the way Stephanie does." —Julie Jackson, founder of Subversive Cross Stitch The patterns, 'bold and fierce' indeed, will speak to stitchers who share Rohr's spirit and convictions." —Publishers Weekly "Standouts here include a folk-art inspired 'Don't Tell Me to Smile' and a sweet, floral pattern that proclaims 'A woman's place is in the Revolution' . . . Feminist Cross-Stitch is very much

on-trend as a new generation discovers the joys of needlework.” –Booklist

How to Make Adorable Baby Animal Dolls Jonni Good, 2013-06 In this book the author shows you exactly how to make your own adorable baby animal collector's dolls, leading you through the entire process every step of the way. Your dolls won't cost much to make, and every doll will be an original, one-of-a-kind work of art. Since no two dolls ever come out exactly alike, each doll will have it's own personality and character. You won't have to learn how to make molds for the doll heads, because each one is hand-sculpted over a simple armature. You don't need a kiln, because you'll be using home-made air-dry clay instead of porcelain. The resulting heads are seamless, hollow, and surprisingly strong. The bodies and ears are made out of soft, huggable cotton velour, and the toes are sculpted with a few easy stitches. Adorable!

Raiders of the Fever Sea Greg A. Vaughan, 2012-06-19 Now masters of their own ship, the adventurers can become pirates in their own right, but they must first rename and refit their stolen ship. When they discover a treasure map tattooed on a defeated pirate rival, the adventurers go in search of buried treasure. If found, they'll have enough plunder to return to the Shackles as true Free Captains! A Pathfinder Roleplaying Game adventure for 4th-level characters, *Raiders of the Fever Sea*

continues the Skull & Shackles Adventure Path, revealing details on Torag, god of the forge, as well as a gazetteer of locations and menaces that lurk beneath the waves of Golarion's vast and varied oceans. New monsters from the depths of the sea and exotic islands also fill the Pathfinder Bestiary, while Robin D. Laws (author of the Pathfinder Tales novel *The Worldwound Gambit*) continues his tale of pirates and lost treasures in the Pathfinder's Journal.

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27
Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love,

and acceptance.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study

since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
