Opening with an informative history of the origins and philosophy of Brutalist architecture, the book then focuses on 9 buildings, including the Barbican Estate, Robin Hood Gardens, Balfron Tower and the National Theatre. The first part of the book looks at the significance of each of these buildings, with a short chapter on each, complete with texts and images. *A Different Home* Kelly DeGarmo,John DeGarmo,2014-01-21 A sensitive picture book to help ease the anxieties of foster children aged 4 to 10 entering placement. In *A Different Home*, Jessie tells us her story of being placed in foster care. At first she is worried and has lots of questions. The new home is not like her old home -- she has a different bedroom, different clothes, and there's different food for breakfast. She also misses her family. When Jim and Debbie, her foster parents, answer her questions she begins to feel better and see that this different home is kind of nice. Written in simple language and fully illustrated in color, this storybook is designed to help children in care, or moving into care, to settle in and answer some of the questions they may have. Accompanied by notes for adults on how to use the story with children, it will be a useful book for foster parents and caseworkers, as well as social workers, teachers and anyone else working with children in foster care.

*Water+Ink Coloring Book Winter 2020* Kim Winberry,2019-07-22 I begin my paintings with a sketch and application of colorful/bright pigment and water to the paper. I disrupt the blends with salt or water, watching as one color blossoms in water, as another color starts to travel across the paper. I utilize India Ink to demarcate changes, also adding swirls other artifacts, in the aim to achieve whimsy. My coloring books are my paintings! I run the paintings through filters and drop the color from them, leaving the lines so that you can add your own color. But wait, there's more... I've added an Augmented Reality component to this. Wonder what colors I used for that piece in the corner there? Take out your phone, download the Zappar app from your app store and zap the code. What happens? At the very least an image of the original painting will pop up and you can see what it looks like, side by side with the coloring page. Beyond that, you'll meet Mist, my liaison to the AR world. She will be a recurring character in all my AR work. Stay tuned and enjoy.
