If Anything Happens I Love You Will

McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

The Enemy from Eden James Dickey, 1978

Lark Rise to Candleford Flora Thompson, 2009 Flora Thompson (1876 to 1947) wrote what may be the quintessential distillation of English country life at the turn of the twentieth century. In 1945, the three books *Lark Rise* (1939), *Over to Candleford* (1941), and *Candleford Green* (1943) were published together in one elegant volume, and this new omnibus Nonpareil edition, complete with charming wood engravings, should be a cause for real rejoicing. The books have inspired two plays that ran in London, and the trilogy has been adapted into a multi-part, long-running television drama series by the BBC. The first

series of ten episodes is scheduled to be syndicated on various PBS stations throughout the United States. A second series of twelve episodes, currently being broadcast in the United Kingdom, will follow in the United States shortly after.

Papa! Philippe Corentin, 1997 *Papa! Papa! There's a monster in my bed!* But just who exactly is the monster in this story? Children and parents alike will giggle as they learn that monsters come in all different shapes and sizes.

Average Is Over Tyler Cowen, 2013-09-12 Renowned economist and author of Big Business Tyler Cowen brings a groundbreaking analysis of capitalism, the job market, and the growing gap between the one percent and minimum wage workers in this follow-up to the New York Times bestseller *The Great Stagnation*. The United States continues to mint more millionaires and billionaires than any country ever. Yet, since the great recession, three quarters of the jobs created here pay only marginally more than minimum wage. Why is there growth only at the top and the bottom? Economist and bestselling author Tyler

Cowen explains that high earners are taking ever more advantage of machine intelligence and achieving ever-better results. Meanwhile, nearly every business sector relies less and less on manual labor, and that means a steady, secure life somewhere in the middle—average—is over. In *Average is Over*, Cowen lays out how the new economy works and identifies what workers and entrepreneurs young and old must do to thrive in this radically new economic landscape.
