Monet's Garden Claude Monet,Christoph Becker,Catherine Hug,Monika Leonhardt,Linda Schädler,2004 Claude Monet (1840-1926) was one of the first artists to move his studio out into the open air, creating works which continue to fascinate and inspire us today as much as they did his contemporaries. One of the founding fathers of Impressionist art, Monet's works consistently reflect the artist's profound love of nature. Many of his paintings were directly inspired by the gardens that played such an important role in his life--the garden at his house in Sèvres in the 1860s, those at his two homes in Argenteuil in the 1870s, followed by a garden at his estate in Vetheuil. Yet the most famous of Monet's gardens was the expansive park in Giverny, which inspired his masterful handling of light and color for more than thirty years and provided motifs for hundreds of individual paintings and series that remain immensely popular today--among them the masterpieces of his Water-Lilies series. This magnificent volume of full-page color plates is devoted to this central theme in the work of the French artist. It presents landscapes, still lifes, and portraits of people in natural settings from nearly all of Monet's creative periods--from his early Impressionist paintings of the 1870s to the Grandes Décorations of the early 1900s. Also included are photographs of Monet's gardens, diagrammatic recreations of these spaces (based on the artist's paintings), several bills of delivery and planting instructions from horticulturalists.

DIARY OF A NAPOLEONIC FOOT SOLDIER Jakob Walter,2012-05-09 A grunt's-eye report from the battlefield in the spirit of The Red Badge of Courage and All Quiet on the Western Front—the only known account by a common soldier of the campaigns of Napoleon's Grand Army between 1806 and 1813. When eighteen-year-old German stonemason Jakob Walter was conscripted into the Grand Army of Napoleon, he had no idea of the

trials that lay ahead. The long, grueling marches in Prussia and Poland sacrificed countless men to Bonaparte's grand designs. And the disastrous Russian campaign tested human endurance on an epic scale. Demoralized by defeat in a war few supported or understood, deprived of ammunition and leadership, driven past reason by starvation and bitter cold, men often turned on one another, killing fellow soldiers for bread or an able horse. Though there are numerous surviving accounts of the Napoleonic Wars written by officers, Walter's is the only known memoir by a draftee, and as such is a unique and fascinating document—a compelling chronicle of a young soldier's loss of innocence as well as an eloquent and moving portrait of the profound effects of war on the men who fight it. Professor Marc Raeff has added an Introduction to the memoirs as well as six letters home from the Russian front, previously unpublished in English, from German conscripts who served concurrently with Walter. The volume is illustrated with engravings and maps, contemporary with the manuscript, from the Russian/Soviet and East European collections of the New York Public Library. Honest, heartfelt, deeply personal yet objective, *The Diary of a Napoleonic Foot Soldier* is more than an informative and absorbing historical document—it is a timeless and unforgettable account of the horrors of war.

Our Own Kind Edward McSorley, 1946 A first novel, without the melodrama of *A Tree Grows in Brooklyn* to which it can however be compared, which has the honesty and sincerity of reality in its portrait of the Irish-Americans of Providence in the years 1912-1915, whose roots are in their homeland, whose genius is for the dramatic, the ludicrous, who know whirlpools of frustration, and who dream of the opportunities in their new country. Old Ned's dreams for his orphaned grandson, Willie, are part of his life, for Willie is to have an education and a career, and Ned gives way to nothing or no one to accomplish this. Ned moves the family to South Providence when the scandal of Willie's arrest seems insurmountable in their old surroundings, and there, through the intelligent, kindly interest of a young priest, through a growing pride in his own achievements, Willie recognizes what his grandfather is driving at, and determines to make the old man's dream come true. A warm, sometimes exciting, portrait of a family, a believable rather than theatrical portrait of a community, and a moving relationship between boy and old man, this should- as a first novel- win critical interest.--Kirkus
