New Kid Jerry Craft,2019-02-05 Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers’ Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, New Kid is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. New Kid is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's Class Act!

**The Grandparents Club** Yma Orn  Campbell,2009-09-24 The grandparents in every family speak in a language that only their family can comprehend yet they are educated and professionals too. Grandparents are usually the only people that are capable of picking up the pieces and putting them back together when all hope is lost in any family. They never throw anything away and they have been into recycling long before it became an issue. They have their share of pain, trials and tribulations. They have issues within their own family that causes them to sometimes separate for a season. They disagree and agree to disagree. It is a battle when a family of different personalities and opinions gather together in one room. The issues of respect, morals and values surface too. No matter what comes up and out the mouths of these bonded individuals their love and strength keeps them tied together as a family.

**Backstage Stuff** Sharon Fiffer,2011-01-04 With a divorce looming, antiques picker and P.I. Jane Wheel has been spinning her wheels, unsure what to do with herself. She could use a good shove in the right direction, and while she may know this, she isn't about to admit it. Luckily, her best friend, Tim Lowry, has her interests at heart, and he has the perfect answer. Not only does he have a mansion he needs help prepping for an estate sale, but he has unearthed an old play, a murder mystery, that he's dying to put on. The play would be just the thing to get Jane back on track—that is, if it weren't cursed. Thankfully, Tim isn't buying into any curse and

pushes forward in spite of the ominous notes that keep showing up in the actors' scripts warning against a performance. It's only when the show's carpenter dies in a suspicious accident that Jane is convinced someone definitely doesn't want the show to go on and might be willing to kill to stop it. Lively and intriguing as ever, Sharon Fiffer's *Backstage Stuff* is as much fun for the puzzling mystery as it is for sneak peek at all of the surprises that Jane has collected backstage for the big show.
